A modern ground floor office set in an attractive parkland location close to the A2 dual carriageway with ample parking.

**Description**

The property forms part of a range of recently converted offices in a beautiful quadrangle of Victorian model farm buildings. Unit 1A extends to 22.5m<sup>2</sup> (274ft<sup>2</sup>) with the use of shared WCs and a kitchen. The office has an open-plan layout with electric thermostatic heating and perimeter trunking. Other occupiers of the Business Centre include a pharmaceutical company, two property maintenance companies, a vet, a care agency and a business support services agency.

**Situated**

Womenswold is about 9 miles south east of the Cathedral City of Canterbury, in a convenient location just off the A2 dual carriageway. Dover is about 9 miles away and the M2 can be joined at Faversham, about 16 miles away. The HS1 rail service to London St Pancras runs from both Dover Priory and Canterbury West taking just over an hour and just under an hour respectively.

**Directions**

Take the A2 from Canterbury towards Dover. At Barham, take the B2046 towards Wingham, then the first turning right to Womenswold. The next right turn leads to Denne Hill Farm where the Business Centre is clearly signed.

**Occupancy Terms**

The office is available on “Easy-in & Easy-Out” basis on a Tenancy at Will for an initial period of one year with one quarter’s notice required thereafter. The Licence Fee of £600 plus VAT per calendar month will be payable monthly in advance.

Broadband in the Denne Hill Business Centre is provided via a private leased line. The cost to each tenant depends on the bandwidth required. As it is a private line 10Mb is adequate for most users and is included within the licence fee. Tenants are responsible for their own internal network and equipment, including the initial set up and connection to the leased line. New tenants will need to contact the supplier of the leased line, MPR-IT, in advance of their arrival to obtain the necessary information to connect. MPR-IT can also provide IT support to tenants including equipment and network set up, project work, hardware and software support on an ad hoc or contract basis. Please contact us if you would like their details so that you can them direct for more information, including their prices

**Business Rates**

The 2017 Rateable Value is £3,150 per annum. Small Business Rates Relief may be available dependent on your individual circumstances. Further information can be obtained from Canterbury City Council.
