Table of Contents

Table S1. Inhibition Zone Diameters (mm) of Compounds (200 μg/mL) against Plant Pathogenic Fungi

For compound 1

Figure S1. HRESIMS spectrum of roridoxin A (1) .............................................. S2
Figure S2. ECD spectrum of roridoxin A (1) in MeOH ........................................... S3
Figure S3. IR spectrum of roridoxin A (1) ............................................................ S3
Figure S4. $^1$H NMR spectrum (600 MHz, CDCl$_3$) of roridoxin A (1) ............. S4
Figure S5. $^{13}$C NMR spectrum (150 MHz, CDCl$_3$) of roridoxin A (1) .......... S4
Figure S6. $^1$H-$^1$H COSY spectrum (CDCl$_3$) of roridoxin A (1) ................ S5
Figure S7. HSQC spectrum (CDCl$_3$) of roridoxin A (1) .............................. S5
Figure S8. HMBC spectrum (CDCl$_3$) of roridoxin A (1) ............................... S6
Figure S9. ROESY spectrum (CDCl$_3$) of roridoxin A (1) .............................. S6

For compound 2

Figure S10. HRESIMS spectrum of roridoxin B (2) ........................................... S7
Figure S11. ECD spectrum of roridoxin B (2) in MeOH ........................................ S8
Figure S12. IR spectrum of roridoxin B (2) ....................................................... S8
Figure S13. $^1$H NMR spectrum (600 MHz, CDCl$_3$) of roridoxin B (2) .......... S9
Figure S14. $^{13}$C NMR spectrum (150 MHz, CDCl$_3$) of roridoxin B (2) ....... S9
Figure S15. $^1$H-$^1$H COSY spectrum (CDCl$_3$) of roridoxin B (2) .............. S10
Figure S16. HSQC spectrum (CDCl$_3$) of roridoxin B (2) ............................. S10
Figure S17. HMBC spectrum (CDCl$_3$) of roridoxin B (2) ............................ S11
Figure S18. ROESY spectrum (CDCl$_3$) of roridoxin B (2) ........................... S11

For compound 3

Figure S19. HRESIMS spectrum of roridoxin C (3) ........................................... S12
Figure S20. ECD spectrum of roridoxin C (3) in MeOH .................................... S13
Figure S21. IR spectrum of roridoxin C (3)…………………………………………..S13
Figure S22. $^1$H NMR spectrum (600 MHz, CDCl$_3$) of roridoxin C (3)………………..S14
Figure S23. $^{13}$C NMR spectrum (150 MHz, CDCl$_3$) of roridoxin C (3)…………..S14
Figure S24. $^1$H-$^1$H COSY spectrum (CDCl$_3$) of roridoxin C (3)……………………..S15
Figure S25. HSQC spectrum (CDCl$_3$) of roridoxin C (3)……………………………S15
Figure S26. HMBC spectrum (CDCl$_3$) of roridoxin C (3)……………………………S16
Figure S27. ROESY spectrum (CDCl$_3$) of roridoxin C (3) ……………………………..S16
