

## Concerning Roundabouts

### Journal of Artists Books brief

The finished size of each book is 13.3 cm (height) x 10.4 cm (width) with sixteen pages.  
Spread is 20.8 cm

Proposals should include the **conceptual parameters of the book** as well as some text, images and/or sample pages that will comprise the book:

**Total size = 166.4 x 13.3 cm**

pdf format to the editor Brad Freeman

Deadline: **30<sup>th</sup> November 2018**

Now you will need to prepare your files for printing.

I will try to list all the necessary steps you will complete before sending the files to me.

- **To assist in this process there is a 16 page InDesign (CS 6) file attached. This file includes a 1/8" (.125") bleed on the top, bottom, and foreedge.**

If you are working in Photoshop or Illustrator, the file size should be 5.375" (height) x 4.25" (wide).

The final trim size will be 5.125" (height) x 4.125" (width).

Sorry - but we have to use inches and not metric.

- **In Photoshop the resolution should be 350 pixels/inch**
- The color mode should be CMYK; 8 bit
- Name the files according to the page number plus your first name; for instance 1.Eve; 2.Eve; 3Eve
- You must flatten all Photoshop files before placing the images into InDesign.
- **You will import the images into the InDesign file if using Photoshop or Illustrator.**
- You must save the InDesign file as CS 6. You can save down (or back) to CS 6 if you are using Adobe Cloud.
- **When the InDesign file is complete, you must Package it. In InDesign go to File then toward the bottom of the list you will find Package.**
- If you have any questions, please ask.
- Send me the Package via wetransfer - deadline **January 15, 2018.**

Thank you very much for taking the time to submit your book proposal to JAB. I am happy to inform you that your project has been accepted and will be published as an inclusion in JAB45 (spring 2019).
