Add Funding to your ORCID record

ORCID Madness Month
March 19, 2021

Erasmus University Library

coffee break

Why add funding to your ORCID record?

- Component of your record of contributions
- Easy to share with other funders & publishers
- Long term: link a grant to research outputs

Funding in ORCID

Funding types:

- **Award**: Peer-reviewed funding providing direct research costs through competitions.

- **Contract**: Works commissioned by external public agencies or industry building on research expertise and aimed at deliverables. Include research contracts awarded by federal agencies for both direct and indirect costs, and honoraria. Discussion

- **Grant**: Peer-reviewed funding providing direct research costs through competitions.

- **Salary award**: A competitive, peer-reviewed award that is paid as salary to the awardee/faculty member.

Other required fields:
- Title of the funded project
- Funding agency: name, city, country, identifier – often autopopulated from FundRef Registry

Optional fields:
- Description, funded amount, start & end date, URL
- Grant/contract/award number

Adding funding to your ORCID record

- Using DimensionsWizard (Search & Link Wizard)

- Manually

- Auto-update by the funder (trusted organization)
  - You give the funder permission to add/update the information

DimensionsWizard

- Dimensions – see https://libguides.eur.nl/dimensions
  - Database from Digital Science
- Search & Link Wizard in ORCID – give permission
  - Previously called Uberresearch
- Sources: https://orcid.dimensions.ai/datasources
  - NWO, European Commission, European Research Council

LINK FUNDING   [Hide link funding]

ORCID works with our member organizations to make it easy to connect your ORCID iD and link to information in their records. Choose one of the link wizards to get started.<

DimensionsWizard

Import your awarded grants from funders around the world, all in one easy-to-use wizard provided by Dimensions. Dimensions's integrated, continuously-updated data includes grants from funding organizations worldwide such as the NIH and NSF in the United States, the UK Research Councils and Wellcome Trust in the UK, the Austrian Research Council, and over fifty others. Add your grants to your ORCID record with a few simple clicks from the DimensionsWizard for ORCID and simplify your data life. ❯
