

## **Supplemental data 1: Search terms and settings for the systematic search of CAM associated therapies**

### **General databases:**

#### **Cochrane Library**

##### **Term:**

Title, abstract, keywords: (enteritis OR gastroenteritis OR vomiting OR diarrhea) AND (children OR pediatric) AND "CAM associated term"\* NOT chemotherapy NOT cancer NOT postoperative NOT chronic\* NOT bowel disease

##### **Settings:**

Considered literature: Reviews and Clinical trials

#### **PubMed**

(enteritis [title/Abstract] OR gastroenteritis [title/Abstract] OR vomiting [title/Abstract] OR diarrhea [title/Abstract]) AND (children [title/Abstract] OR pediatric [title/Abstract]) AND "CAM associated term" NOT chemotherapy [title/Abstract] NOT cancer [title/Abstract] NOT postoperative [title/Abstract] NOT chronic\* [title/Abstract] NOT bowel disease [title/Abstract]

##### **Settings:**

Filter: language: English, German

## **OvidSP**

((enteritis or gastroenteritis or diarrhea or vomiting) and (children or pediatric)).ab. and  
“CAM associated term”.mp.) NOT (chemotherapy not cancer not postoperative not chronic\*  
not bowel disease).ab.

## **Setting:**

Considered data source: Journals@OVID

## **EMBASE**

enteritis:ab,ti OR gastroenteritis:ab,ti OR vomiting:ab,ti OR diarrhea:ab,ti AND (children:ab,ti  
OR pediatric:ab,ti) AND “CAM associated term”.:ab,ti NOT chemotherapy:ab,ti NOT  
cancer:ab,ti NOT postoperative:ab,ti NOT chronic\*:ab,ti NOT bowel:ab,ti AND disease:ab,ti

## **CAM-specific databases:**

### **Anthromedics (German database)**

(enteritis OR gastroenteritis OR Erbrechen OR Durchfall) AND (Kinder OR pädiatrisch)

### **CAMbase**

The entry of complex search terms is not possible and therefore various terms were entered  
to make a high coverage feasible.

children gastroenteritis; children diarrhea; children vomiting; child gastroenteritis; child diarrhea; child vomiting; pediatric gastroenteritis; pediatric diarrhea; pediatric vomiting; Kind Gastroenteritis; Kind Durchfall; Kind Erbrechen; Kinder Gastroenteritis; Kinder Durchfall; Kinder Erbrechen; pädiatrisch Gastroenteritis; pädiatrisch Durchfall; pädiatrisch Erbrechen

**CAM-QUEST®**

(enteritis [title/Abstract] OR gastroenteritis [title/Abstract] OR vomiting [title/Abstract] OR diarrhea [title/Abstract]) AND (children [title/Abstract] OR pediatric [title/Abstract]) NOT chemotherapy [title/Abstract] NOT cancer [title/Abstract] NOT postoperative [title/Abstract] NOT chronic\* [title/Abstract] NOT bowel disease [title/Abstract]
