

Wake County Co-Location Shelter Registration and Agreement

I, the animal owner/agent signed below, request the emergency housing of the animal(s) being evacuated because of a pending or occurring disaster. **I must be housed at this shelter during my pets stay.** The animal owner/agent hereby releases the person or entity receiving the animal from any and all liability regarding the care and housing of the animal during and following this emergency. The animal owner/agent acknowledges that if emergency conditions pose a threat to the safety of the animal, additional relocation may be necessary, and this release is intended to extend to such relocation.

The animal owner/agent acknowledges that the risk of illness, injury or death to the animal during an emergency cannot be eliminated and agrees to be responsible for any veterinary expenses which may be incurred in the treatment of their animal for any injury or condition arising as a result of the animal's stay at the co-location shelter. At the co-location shelter, no veterinary services will be available. The owner/agent will need to transport their pet(s) to a private local veterinary clinic and authorize treatment for their pet(s). It is also required that the owner or his/her agent take responsibility for the care, feeding and maintenance of their animal(s).

The co-location shelter reserves the right to refuse to shelter any animals that, in the discretion of the shelter operator, may pose a danger to persons staying at the shelter.

Check out is required when departing from the shelter.
