

Description of columns in the dataset "VALID_TRIAL_OUTCOMES_DATA.csv"

Column name	Description
pair_id	Identifier for PwD-FC pair
group	Group to which pair was randomised (COTID = COTID-UK, TAU = Treatment as usual)
therapist_id	Identifier for the occupational therapist who was assigned to deliver the COTID-UK intervention to the PwD-FC pair (COTID arm only)
badls_total0	BADLS total score at baseline
badls_total12	BADLS total score at week 12
badls_total26	BADLS total score at week 26
badls_total52	BADLS total score at week 52
badls_total78	BADLS total score at week 78
mean_badls0	Within-pair mean BADLS score at baseline
mean_badls12	Within-pair mean BADLS score at week 12
mean_badls26	Within-pair mean BADLS score at week 26
mean_badls52	Within-pair mean BADLS score at week 52
mean_badls78	Within-pair mean BADLS score at week 78
mmse_total0	MMSE score at baseline
mmse_total26	MMSE score at week 26
iddd_total0	IDDD score at baseline
iddd_total26	IDDD score at week 26
demqol_total0	DEMQOL score at baseline
demqol_total26	DEMQOL score at week 26
demqol_proxy_total0	DEMQOL proxy score at baseline
demqol_proxy_total26	DEMQOL proxy score at week 26
csdd_total0	CSDD score at baseline
csdd_total26	CSDD score at week 26
scq_total0	SCQ score at baseline
scq_total26	SCQ score at week 26
hads_anxiety0	HADS anxiety score at baseline
hads_anxiety12	HADS anxiety score at week 12
hads_anxiety26	HADS anxiety score at week 26
hads_anxiety52	HADS anxiety score at week 52
hads_anxiety78	HADS anxiety score at week 78
hads_depression0	HADS depression score at baseline
hads_depression12	HADS depression score at week 12
hads_depression26	HADS depression score at week 26
hads_depression52	HADS depression score at week 52
hads_depression78	HADS depression score at week 78
social_contacts_pwd0	No. of social contacts of PwD at baseline
social_contacts_pwd26	No. of social contacts of PwD at week 26
social_contacts_carer0	No. of social contacts of FC at baseline
social_contacts_carer26	No. of social contacts of FC at week 26
leisure_activities_pwd0	No. of leisure activities of PwD at baseline
leisure_activities_pwd26	No. of leisure activities of PwD at week 26
leisure_activities_carer0	No. of leisure activities of FC at baseline
leisure_activities_carer26	No. of leisure activities of FC at week 26

List of Abbreviations

BADLS	Bristol activities of daily living scale
COTID	Community occupational therapy in dementia
FC	Family carer
PwD	Person with dementia
CSDD	Cornell scale for depression in dementia
DEMQOL	Dementia quality of life scale
HADS	Hospital anxiety and depression scale
IDDD	Interview of deterioration in daily activities in dementia
MMSE	Mini mental state examination
SCQ	Sense of competency questionnaire
