

## Accessing the platform

Accessing the platform is easy; this resource will guide you through registering, logging in, and recovering your password.

To get started by logging in, click the green “Login” button in the navigation of this website, or [click here](#).

## Registering on the platform

You can register by clicking the link above and going to the table titled “Registration” or [clicking here to go to the register page](#).

You’ll register by filling out the fields listed on the registration page to the best of your ability. If you do not know your organization code or your organization is not listed, reach out to a leader at your organization, or [contact us](#).

Once complete, you should be redirected to your dashboard.

## Logging in to the platform

To log in, click the green “Login” button in the navigation of this website, or [click here](#). Fill out the form with your credentials you used to register previously. Simply enter your username or email in the first field, followed by your password in the second.

If you do not recall your email or this process is not working, please [contact us](#) and send us a Platform Support message. Someone will get back to you right away. You can also reach out to a leader at your organization.

---

Forgotten your password?

If you’ve forgotten your password, click the “forgot password” link at the bottom of the login form, or [click here to recover your password](#).
