

Starting May 21, 2020, UDVL holds weekly online tutorials and help desks for using the Map the Count platform and maps. Registered users of the platform will receive invitations to register for each weekly tutorial and there are also links to register on the [events page](#).

Below are videos of the sessions.

- [May 21, 2020: Identifying low response areas and local resources to support outreach.](#)
- [June 4, 2020: Using the Weekly Response Rates and Activities Map with the existing MTC mapping tools.](#)
- [June 25, 2020: Onboarding new subrecipients and users and creating organizational goals](#)
