

Flow Variable

Effective from 10th October 2018 for new customers and 11th November 2018 for existing customers.

This tariff is available to domestic customers managing their account online and who pay by monthly fixed Direct Debit. This tariff is not available to premises supplied through a prepayment meter.

These terms are in addition to and do not replace Flow Energy Limited's terms and conditions for supplying gas and/or electricity which also apply.

Payments will be in advance by Direct Debit commencing on the day that we start supplying you and on the same day each month after that (or the working day after if it is a Saturday, Sunday or Public Holiday).

Please make sure that you have enough money in your account on the date when we take the Direct Debit payment. If you don't have enough money, we will contact you to discuss how you can pay.

If we need to change the amount that we collect each month, we will give you at least two weeks' notice. If your contract starts between October and February, your payments may be higher than if you had joined us in other months. We review the amount that we collect at least once a year.

The prices are on the basis that you provide us with an email address and that you provide us with meter readings when requested.

The prices are on the basis that you pay by Direct Debit.

Prices include VAT at 5% so will appear different to figures shown on your statement.

This tariff is only available to customers with single rate or Economy 7 electricity.
