These exit fees will be amended if there is a change in the VAT treatment, or rate, at any time or times more than 49 days before the End Date by an amount equivalent to the applicable change in the VAT treatment or rate. These exit fees will not be applied if the Tariff is cancelled due to a home move. 12. If you leave the property to which the Tariff applies, you will not be able to transfer this Tariff to another property. However, you can apply for any of our tariffs that you are eligible for that are available when you move property.

14. If you fail to make a payment to us under your payment method when it is due, we shall be entitled to transfer you to an appropriate cash payment method on our Standard tariff. To see how this could affect you, please visit scottishpower.co.uk and review our current Standard domestic prices in the 'Gas and Electricity Tariffs' section. We will notify you in advance of any changes to your payment method and prices should this be necessary.
15. These Terms are in addition to the ScottishPower Gas and Electricity General Terms and Conditions for Domestic Customers ("General Term") available at scottishpower.co.uk/legal/terms-and-conditions. If there is any conflict between these terms and the General Terms, these Terms take priority.
