

*Have an opportunity for a  
Parts Advisor to join our Jersey branch*

Due to our continued success as one of the Island's leading suppliers of Light and Heavy Commercial Vehicles, we have an exciting opportunity for a full time Parts Advisor.

The Parts Department plays an important role in supplying both internal and external customers with parts to meet their needs.

In this role you will need to ensure that the right parts are in the right places, at the right time.

To assist you there are systems and processes in place including a stocking and ordering dealer management system, so you will ideally need to be IT literate.

As well as dealing with customers (both trade and retail) you will also be receiving, sorting and storing parts as they arrive to ensure we have the correct stock and it can be easily found, thus, ensuring the best possible service to our customers.

**Requirements to include;**

- Knowledge of stock control principles, tools and parts used in the maintenance and repair of vehicles.
- Understanding of automotive industry,
- Keen eye for detail,
- Excellent organisational skills,
- IT literate,

In return you will receive a competitive salary

Annual leave

Discounts on new/used vehicles, servicing and parts purchases

Working hours: Monday to Friday 8AM-5PM
