

## Resource Direct Recruitment Limited (RDR)

### Power Sector

With considerable knowledge of the Power industry within the UK we have sourced and supplied skilled and experienced personnel on projects for clients including EDF, Sembcorp and ManTurbo.

We pride ourselves on developing professional working relationships whilst endeavouring to deliver a personal service whether on major construction projects, long term maintenance contracts or short term requirements. Our highly skilled, professional team are available to assist and support you throughout your recruitment experience with us.

With group offices strategically located throughout the UK, we are ideally placed to service our clients' needs by sourcing local and national talent.

### RDR's Power Specialist:

#### Helena O'Shea

Helena has several years' recruitment experience within the Power industry and has led recruitment events for projects on Drax, Eggborough and Provence power stations. Her present duties include managing the recruitment of suitably skilled and experienced people for both construction and engineering positions.

Our aim is to be our Clients' "Partner of Choice"
