RUDDING PARK CASE STUDY

"I HAVE EXPERIENCED PREVIOUS GAS SUPPLIERS' FRUSTRATING LONG-WINDED PROCESSES; HOWEVER, WITH CNG, WE HAVE A DIRECT CONTACT WHO IS LOCAL, APPROACHABLE AND ALWAYS EASY TO REACH. I WOULD DEFINITELY RECOMMEND CNG TO OTHER BUSINESSES - THEY GIVE YOU PEACE OF MIND ALLOWING YOU TO FOCUS ON YOUR BUSINESS."

Peter Banks, Managing Director,
Rudding Park

BACKGROUND

Rudding Park is a privately-owned luxury hotel, spa and golf course based in Harrogate, North Yorkshire.

THE CHALLENGE

A reliable gas supply is a given for any luxury hotel, and Rudding Park is no exception. From providing room heating to maintaining the spa, the hotel requires 24-7 service. Peter Banks, Rudding Park's Managing Director, experienced problems with his existing supplier, finding it difficult to contact the service team.

THE SOLUTION

CNG was able to provide a far better service coupled with better price. The result was greater peace of mind for Peter and the Rudding Park team.

Let's make energy work for everyone.
