

The time I went to Fantastic caverns
by Kannon

Fantastic caverns is in Muzzuri.

It's 1 hour tour. It is cold in
there. You ride in one big jeep.

It is a cave. You can touch
the ceiling in one spot. If

you touch the ceiling in

another spot the oil on your

hand will leave your hand and

it won't grow on your hand until

125 years. you get to watch

a movie at the end of the

tour. When I touch the

cealing of the cave it felt cold. The cave was dark.

the tour was awesome, We got to see a bat, It was sleeping, They had cool stuff in the cave.

I saw two sink holes, It was a cool trip.
