

The time I ^{by Michael} went to OSU
On Saturday I went to
an OSU football game.

On the football field OSU
was made in big letters.

Almost everything was
orange. OSU played against
UTSA. OSU are the
cowboys and UTSA are the
road runners. We have a
really fast football player. He
is number 24. He is so fast
that he ran from midfield

to the touchdown spot! It was
so crazy that on that game
my mom had to pick me up and
made me stand on my chair so
I could see! It was so fun
to see what that player could
do.
