

Possible sentences based on new vocabulary.

NEW VOCABULARY WORDS

cumulus

stratus

cirrus

nimbostratus

KNOWN WORDS

clouds

rain

weather

thunder

Nathaniel's sentences: *We can tell what kind of weather is coming by looking at the clouds. Cumulus and stratus clouds bring us rain. Cirrus and nimbostratus clouds bring us thunder and storms.*

Anton's sentences: *Some clouds do not bring bad weather, but other clouds do bring us bad weather. Cumulus clouds are just white, pretty clouds that come on sunny days. Stratus clouds look like rib cages and bring us rain. Cirrus and nimbostratus clouds are black clouds that bring us thunder and hurricanes.*
