## River of reading format

Complete your own River of Reading. Jot down memories of reading from as early as you can remember. What were some of the key reading experiences at home and at school? Share your memories with others in the group. What differences were there in your experiences of reading? What similarities? For example, are there any gender differences in preferences for particular kinds of reading? Did any of the group find reading at school more difficult than reading at home – or vice versa?
