## Art Inquiry Cultivating the Artistic Behaviors Infographic

### Idea Development

- How did I generate ideas to plan and complete my artwork? What influenced my creative processes?

### Observation

- How did my close and careful observations as I created my artwork contribute to my cognitive and creative development?

### Imagination and Wonderment

- How did I use my imagination to develop my artwork? Which aspects of its development sparked a sense of wonder and/or curiosity within me?

### Persistence

- How did I demonstrate persistence throughout the creation of my artwork? In what ways can I apply the skills and insights I have gained to other areas of my life?

### Making Creative Connections

- How did I make creative connections while creating, writing about, and/or discussing my artwork? What ideas, experiences, or influences did I draw upon to enhance my artwork?
