Placement Evaluation Form

Instructions

This form is designed to give interns a chance to evaluate the internship site at the conclusion of their internship. The evaluation will be useful to your instructor and to future interns who will be considering where to do an internship. Before answering any individual item, take just a second to review the entire form to see all of the items that will be addressed. Please answer all items, and feel free to include any additional information that you think is important.

Placement name: ________________________________
Placement address: ________________________________
Supervisor name: ________________________________

Site Description

Please describe, in your own words, the key services provided by this setting.

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

Please describe the clients served by this setting. Include age ranges, presenting concerns, socioeconomic status, ethnicities, and so on.

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
Please describe the treatment modalities provided, for example, group or individual therapy, family therapy, physical exercises, or occupational therapy.

What are the professional backgrounds of the treatment staff on this site? Please list, to the best of your knowledge, the number of professionals by discipline and degree (e.g., 3 MSW social workers available at this site).

Please describe, objectively but in your own words, the physical qualities of the setting. Be sure to mention size, age of facilities, level of upkeep, aesthetic qualities, and so on.

Please describe the setting of the institution (e.g., rural or urban, neighborhood).
Opportunities For Learning

Please list the various activities you participated in as part of your internship experience. For each activity, list the modality or instruments used (e.g., the activity might be therapy, the modality might be cognitive/behavioral or group-cognitive therapy; if assessment is the activity, identify the assessment tools used), the weekly frequency of the activity, the total frequency of the activity during the entire internship, the availability of supervision on a 1–5 scale, with 1 being no availability and 5 being maximally available, and the quality of supervision, with 1 being very poor and 5 being outstanding. Please provide any additional comments regarding the activity.

### Overall Impressions

**Supervisor:** Please give a brief description of your experiences with your supervisor. Be sure to mention strengths, areas of concern, and any suggestions for ways to improve the supervisory experience.

---

**Staff:** Please describe the overall impressions of staff other than your supervisor. Include qualifications, professionalism, relationships with clients, and receptiveness to interns.

---

**Clients:** Please describe your experience of the clients at this setting. Include overall client attitudes, motivations, receptivity to working with interns, as you observed them.

---
Treatment or services provided: Please give your overall impressions about the nature and quality of the services provided at this setting. For example, do you think the services are provided well to the clients, and are they effective?

________________________________________________________________________

________________________________________________________________________

Safety or other issues: Please comment about any issues (e.g., safety, hygiene) that you feel are either positive qualities about the placement or areas of concern.

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Ethical and professional standards: Please comment briefly about your observations concerning the ethical and professional standards set by the staff at this setting.

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Final Summary Impressions

Finally, please indicate the degree to which you would recommend this placement to other interns (from 1 to 5, with 1 being recommend against, and 5 highly recommend). Please briefly explain the reasons for this recommendation.
