\*These TOEFL ranges can be used to give students a sense of how long they will need to study in the IEP before being ready to move onto a degree program. IEP students will be tested and placed in the appropriate IEP level upon arrival. The IEP placement test may have a different result than the standardized TOEFL test because the placement test requires a broader understanding of how English functions, and assesses English on a more granular level.

\*\* School of Law degrees that offer conditional admission through the IEP program include: Laws, LLM, Laws (Global Legal Studies), LLM; Laws (Sports Law and Business), LLM; Legal Studies, MLS; Legal Studies (Patent Practice), MLS; Legal Studies (Sports Law and Business), MLS; Sports Law and Business, MSL
