We are here for you
Keeping all our students safe is our top priority. We will continue to follow UK government health and safety guidelines at all times, so you can rest assured that our residences and accommodation partners are taking the necessary precautions to protect your wellbeing.

Our dedicated accommodation team is here to discuss your options with you, or if you need help or support at any time.

Accommodation guarantee deadline
If your course starts in Autumn 2021 or Spring 2022 you’re guaranteed a room with us if you accept your offer to study by the guarantee date. See all the guarantee dates here.

Don’t worry, if you miss the guarantee deadline we’ll still do all we can to find you a fantastic place to stay during your course.

Your accommodation options
In this guide you’ll find detailed information about your accommodation options in the UK. Once you accept your offer to study, you can log in to our accommodation portal and reserve your room.

We operate on a first-come, first-served basis and all options are subject to availability. When you log in to our portal, you will be able to see all currently available options, and can pick your preferred room type.

Autumn 2021 flexible arrival and support
For pathway courses starting in September 2021, we’re offering flexible arrival dates for accommodation contracts. You can choose an accommodation contract starting on 11 September, or on 23 October (subject to availability) to allow you to start your studies at home before transitioning to the UK.

You can also arrive up to 2 weeks early (subject to availability) at no extra cost. This will give you time to self-isolate if required. If you’re travelling from a country on the UK government’s ‘red list’ and need to isolate in a quarantine hotel, you’ll also get some financial support to help cover the cost of the stay, along with comprehensive wellbeing support while you’re in quarantine. Learn more about arrival support on this webpage, and visit our accommodation FAQs webpage for more information.

Coronavirus information
We are continuing to do everything we can to keep our students as safe as possible during the pandemic. You can check our website for the most up-to-date information on accommodation and coronavirus measures.

Useful information

You can find some helpful information below to guide you through your accommodation application.

**Accommodation Agreement**
The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your Accommodation Agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

**Accommodation confirmation**
You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book. If your Accommodation Agreement is cancelled, and you tell us that you would still like to book Kaplan-arranged accommodation, you will be offered the next available room.

**Accommodation portal login**
You’ll receive your login details via email once you have accepted your study offer.

**Accommodation length change**
You may not change your contract length after you have booked and signed your Accommodation Agreement.

**First payment**
The first payment is to secure your accommodation along with the signed Accommodation Agreement. The £1,000 first payment is then divided into £250 for the security deposit and £750 towards your accommodation fees. Your security deposit will be fully returned when you move out of your accommodation. It will not be refunded if the room is damaged or left in bad condition, or if there are any accommodation penalty charges outstanding.

**Guarantors**
A guarantor is someone who will be legally responsible for any accommodation fees you are unable to or fail to pay.

**Kaplan Living Special Support**
Because your wellbeing is extremely important to us, we are offering extra assistance to students staying at Kaplan Living Bournemouth. This package is called Kaplan Living Special Support. With this service, Wellbeing Coordinators will be on hand to help you settle into life in the UK, assist with any problems you encounter, and ensure that you can live and study with us safely. This 24/7 support is available to all students for an additional fee of £300 — just tick the box when making your booking via the accommodation portal to confirm you’d like to sign up to the service. This is an optional extra service for students over the age of 18; for those under 18, it is mandatory for their wellbeing.

**Moving into your room**
You will be able to move into your room from the start date of your contract, but only if you have sent us your signed Accommodation Agreement and first payment.

**Refunds**
When your Accommodation Agreement is cancelled and you decide not to take another offered room, refund of any fees paid will only be granted in line with Kaplan International Pathways’ Terms and Conditions, and may be subject to an administration fee being deducted. If you leave the College for any reason after you arrive, accommodation fees will not be refunded.

**Under 18s**
The College will accommodate students under 18 years of age in a single-sex flat with other students under 18 years old. Students who are under the age of 18 on arrival in the UK may be asked to pay all their accommodation fees before they arrive, and are advised to stay in either Kaplan or university-arranged accommodation.

**Visa**
If your visa application is unsuccessful, please send a copy of your visa refusal documents (or other evidence) to your Admissions Adviser for review. A decision will then be made regarding eligibility for refund in line with the company’s terms and conditions.
