Accommodation for students under 18 years of age: where possible, the College will accommodate students under 18 years of age in a single-sex flat with other students under 18 years old. If this option is not available, we will notify the student’s parents or legal guardian to offer alternative accommodation. Students aged under 18 on their start date are expected to live in College-arranged housing.

* Your £250 deposit will be returned to you when you move out of your room. Please note your deposit will not be fully returned if the room is damaged or left in bad condition, or if there are any accommodation penalty charges or outstanding payments on your student account.

Please note: the College reserves the right to change the properties advertised and/or prices quoted. If this happens, alternative options of an equivalent standard will be made available at similar prices. All prices shown are correct at time of publication but are subject to change. Published August 2018.

How to book

Follow the simple steps below to book your accommodation. Use the answers to the right for more help.

1. Use the Accommodation Dates and Prices pages in this guide to choose the option that matches your course dates.

2. When applying to study on a course, you can indicate your preferred room type on the application form. We will then record your accommodation preferences and send you further information with your tuition offer letter.

   OR

   If you have already completed the course application form, you can complete the online Accommodation Form to indicate your accommodation preferences, based on the information given in this guide.

3. Once you have accepted your offer, we will be able to confirm your accommodation option. We will reserve a room for you and send you an Accommodation Pack. You will then need to complete the following steps in order to secure your booking:

   1) Fill in your guarantor details on the Guarantor Declaration.
   2) Both you (the tenant) and your guarantor will need to read and sign the Termination and Refund Policy, and then return it by the accommodation confirmation date, which can be found in the Pack. A third person must also witness the signatures, and provide their own details on the document.
   3) If you have not done so already, you will also need to pay a £1000 holding fee to secure the room. This will be credited towards your overall accommodation fees.

4. When you are ready to come to the UK and have booked a flight, you will need to confirm your arrival details by completing the online Pre-Arrival Form. The College will be able to book and confirm transfers for you, and more details are provided in the Pre-Arrival Guide. Please submit your arrival details at least two weeks before you fly to ensure the College and your accommodation are prepared for your arrival.

We can guarantee accommodation to all students who submit their Accommodation Form before the dates below, and have accepted their offer to study.

Questions and answers

What is a ‘guarantor’?
A guarantor is someone who will be legally responsible for any accommodation fees you are unable to or fail to pay.

May I change the length of my accommodation?
You may not change your contract after you have booked and signed your Accommodation Agreement.

What is the Accommodation Agreement?
The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your Accommodation Agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

What is the Holding Fee?
The holding fee indicates to us that you are interested in taking our accommodation. It is £1,000 and can be paid at any time in the application process. Once you receive your Accommodation Agreement, the £1,000 is then divided into £250 for the security deposit and £750 towards the next payment of your accommodation fees.

What is evidence of payment?
Evidence of payment can be a copy of the payment receipt, bank statement, banker’s draft, or via Flywire.

What happens if I miss the accommodation confirmation deadline?
You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book. If your Accommodation Agreement is cancelled, and you tell us that you would still like to book college accommodation, you will be offered the next available room. If you decide not to take this room, refund of any fees paid will only be granted in line with Kaplan International Pathways terms and conditions, and may be subject to an administration fee being deducted.

When can I move into my room?
You will be able to move into your room from the start date of your contract, but only if you have already sent us your signed Accommodation Agreement and first payment.

Can I get a refund if I leave the College?
If you leave the College for any reason after starting your course, your accommodation fees will not be refunded.
