How to book

Follow the simple steps below to book your accommodation. Use the answers to the right for more help.

Step 1
Use the Accommodation dates and prices pages in this guide to choose the option that matches your course dates.

Step 2
When applying to study on a course, you can indicate your preferred room type on the application form. We will then record your accommodation preferences and send you further information with your tuition offer letter.

OR
If you have already completed the course application form, you can complete the online Accommodation Form to indicate your accommodation preferences, based on the information given in this guide.

Step 3
Once you have accepted your offer, we will be able to confirm your accommodation option. We will reserve a room for you and send you an Accommodation Agreement. You will then need to complete the following steps in order to secure your booking:

1. Fill in your guarantor details on the Accommodation Agreement
2. Both you (the tenant) and your guarantor will need to read and sign the Accommodation Agreement, and then return it by the accommodation confirmation date, which can be found in the Agreement. A third person must also witness the signatures, and provide their own details on the Agreement.
3. If you have not done so already, you will also need to make a minimum first payment of £1,000 to secure the room. This will be credited towards your overall accommodation fees.

Step 4
When you are ready to come to the UK and have booked a flight, you will need to confirm your arrival details by completing the online Pre-Arrival Form. The College will be able to book and confirm transfers for you, and more details are provided in the Pre-Arrival Guide. Please submit your arrival details at least two weeks before you fly to ensure the College and your accommodation are prepared for your arrival.

Accommodation guarantee
We can guarantee accommodation to all students who submit their Accommodation Form before the relevant date below, and have accepted their offer to study.

Q: May I change the length of my accommodation?
A: You may not change your contract length after you have booked and signed your Accommodation Agreement.

Q: What is the Accommodation Agreement?
A: The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

Q: What is the first payment?
A: The first payment is to secure your accommodation along with the signed accommodation agreement. The £1,000 first payment is then divided into £250 for the security deposit and £750 towards your accommodation fees.

Q: What is evidence of payment?
A: Evidence of payment can be a copy of the payment receipt, bank statement, banker’s draft, or via Flywire.

Q: What happens if I miss the accommodation confirmation deadline?
A: You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book.

If your Accommodation Agreement is cancelled, and you tell us that you would still like to book college accommodation, you will be offered the next available room. If you decide not to take this room, refund of any fees paid will only be granted in line with Kaplan International Pathways’ terms and conditions, and may be subject to an administration fee being deducted.

Q: When can I move into my room?
A: You will be able to move into your room from the start date of your contract, but only if you have already sent us your signed Accommodation Agreement and first payment.

Q: What happens if I leave my KIC London course?
A: If you leave for any reason after starting your course, accommodation fees will not be refunded.
