

You can start a pathway course in October or November 2019, and still progress to university in September 2020.

Foundation Certificate **FC**

To qualify for entry to the 1st year of an undergraduate degree in England (or 2nd year in Scotland).

English entry requirement:
typically UKVI IELTS 5.0 overall
(no less than 4.0 in any skill)

International Year One **IYO**

To qualify for fast-track entry to the 2nd year of an undergraduate degree in England.

English entry requirement:
typically UKVI IELTS 5.0 overall
(no less than 4.5 in any skill)

A course that's right for you: all Foundation Certificate and International Year One options below are offered with extra English language modules. If you have a higher IELTS score (typically 5.5), selected Foundation courses also have Enhancement options, with extra modules for additional focus on academic or maths and science preparation. These enhanced courses have an extended enrolment period by one week to **18th November 2019**.

² Pre-Doctorate enrolment dates are 21st October to 4th November 2019.

Guaranteed progression: for the Foundation Certificate, International Year One and Pre-Master's, you are guaranteed entry to a College's partner university if you pass at the required level, with good attendance. On the Pre-Doctorate, you're guaranteed an interview for a doctoral degree at a partner university if your research topic matches that university's priority areas.

For all courses, if you require a Tier 4 visa, and do not already have a UKVI IELTS score that meets entry requirements, you will need to take an IELTS for UKVI test. IELTS scores stated above are the typical entry requirement – in certain cases, a different English level might be required. Information is correct at the time of publication and is subject to change. Published August 2019.
