

Enrolment  
extended to  
May 2021 for  
selected courses,  
and no Student  
visa needed!

**Start a pathway course in March or April 2021,  
with progression to university in September 2021**

---

Do you have students who aren't quite ready to start in the January 2021 intake? Explore our wide range of courses beginning in March and April, which still allow entry to a degree in September 2021.

# Undergraduate pathway courses

## Foundation Certificate <sup>(FC)</sup>

For entry to the 1st year of an undergraduate degree in England (or 2nd year in Scotland).

**English entry requirement:** typically UKVI IELTS 5.5 overall with at least 4.5 in all skills, or accepted equivalent (contact us for details)

## International Year One <sup>(IYO)</sup>

For fast-track entry to the 2nd year of an undergraduate degree at selected universities in England.

**English entry requirement:** typically UKVI IELTS 5.0 overall with at least 5.0 in all skills, or accepted equivalent (contact us for details)

**Start in the UK or online:** colleges are offering blended learning in the UK, with online starts also available if your students are not able or ready to travel. Whichever path they follow, they can apply and study with confidence.

**The same guaranteed degree entry to university** when students pass their pathway course at the required level with good attendance, for both UK and online starts.

**No Student visa needed:** all the courses below are 6 months long or less, so even if students study in the UK, they don't need a Student visa for their pathway course. Instead, they can study with Standard Visitor permission, and some nationalities can apply for this on arrival.

College	Enrolment dates	Course	Subject	Tuition fees	Leading to
Bournemouth University International College <a href="#">↗</a>	1 March to 26 March 2021	(FC)	› Business, Law or Finance	£13,030	› Bournemouth University › Another UK university via the Multi-Progression Pathway (MPP)

			› Science and Engineering	£13,780	
	19 April to 3 May 2021	(FC)	› Science and Engineering		£13,780

1: Degree entry from this course is in October 2021 | 2: Students cannot progress onto an Architecture degree from this course | 3: Students cannot progress onto a Health Sciences degree from this course

# Postgraduate pathway courses

## Pre-Master's <sup>(PM)</sup>

For entry to a postgraduate degree in England or Scotland.

**English entry requirement:** typically UKVI IELTS 5.5 overall with at least 5.0 in all skills, or accepted equivalent (contact us for details)

## Pre-Doctorate <sup>(PD)</sup>

To help you apply for a doctoral degree in England or Scotland.

**English entry requirement:** typically UKVI IELTS 5.5 or 6.0 in all skills, or accepted equivalent (contact us for details)

**Start in the UK or online:** colleges are offering blended learning in the UK, with online starts also available if your students are not able or ready to travel. Whichever path they follow, they can apply and study with confidence.

**The same guaranteed degree entry** when students pass their Pre-Master's at the required level with good attendance, for both UK and online starts. On the Pre-Doctorate, Kaplan International College students who pass are guaranteed an interview for entry to a doctoral degree at a partner university when their research area matches the university's priorities. University of Nottingham International College Pre-Doctorate students are guaranteed an interview for a doctoral degree in Engineering at the University of Nottingham.

**No Student visa needed:** all the courses below are 6 months long or less, so even if students study in the UK, they don't need a Student visa for their pathway course. Instead, they can study with Standard Visitor permission, and some nationalities can apply for this on arrival.
