* UKVI IELTS alternatives: we can accept alternative tests as proof of English language. Learn more at: [kaplanpathways.com/uk/ielts/](https://www.kaplanpathways.com/uk/ielts/)

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: [kaplanpathways.com/bournemouth/ug-degrees](https://www.kaplanpathways.com/bournemouth/ug-degrees)

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals. This flexibility means that you can follow your path to university, your way.

Common modules taken by all students:

- › English for Academic Purposes
- › Extended Project

You will also take 3 of the following modules that fit your degree and career goals†:

- › Contemporary Global Issues
- › Entrepreneurship
- › Logic and Critical Thinking
- › Mathematics

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.

Learn more about modules: you'll find module summaries later in this booklet.

Extra support: for courses of over 2 terms, you will take additional modules from a selection of Enhancement and Extended English and Skills options (depending mainly on your IELTS score) before the modules to the left.

Students with at least UKVI IELTS 5.5: you can study a 2.5 or 3-term course that typically includes Enhancement modules to maximise your university preparation:

- › Critical Reading, Writing and Reasoning for Higher Education
- › Digital Applications
- › Independent and Collaborative Study
- › UK Society and Culture

Students with less than UKVI IELTS 5.5: you will typically study Extended English and Skills modules to improve your English language level and academic skills.

Students with UKVI IELTS 4.5 or 5.0 will typically take:

- › English for Academic Study 3
- › Independent and Collaborative Study
- › Reading and Writing 3
- › Speaking and Listening 3

Students with UKVI IELTS 4.0 will typically take:

- › English for Academic Study 2 + English for Academic Study 3
- › Independent and Collaborative Study
- › Reading and Writing 2 + Reading and Writing 3
- › Speaking and Listening 2 + Speaking and Listening 3
- › Study Skills Preparation

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

Biology

Gain an understanding of biological systems and organisms, as well as key laboratory processes.

Business Law

Learn about the legal principles that affect modern businesses, including contract law and company law.

Communication Theory

Explore the major theories of communication and analyse different types of communication.

Contemporary Global Issues

Explore the big issues facing humanity in the 21st century, and critically evaluate their causes and effects.

Critical Reading, Writing and Reasoning for Higher Education

Enhance your ability to read and understand complex ideas in English, and to compose convincing written arguments.

Cross Platform Media

Examine the theories and concepts of cross platform and multi-platform storytelling and their applications.

Digital Applications

Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

Digital Essentials

Examine digital media and emerging digital technologies, and develop your practical skills and competencies in this area.

Economics

Gain an understanding of macro and micro economics, and explore current trends and issues in the field.

English for Academic Purposes

Develop your English to the level you need for university study, and to really get involved in academic discussions.

English for Academic Study 2

Improve your English grammar and vocabulary in order to communicate in an academic environment.

English for Academic Study 3

Expand your knowledge of English grammar and vocabulary to the level required for degree study.

Entrepreneurship

Familiarise yourself with varied concepts of creativity, entrepreneurship and innovation, and learn how to apply them in business.

Entrepreneurship and Business Development

Explore how to start and nurture a business, how to develop commercial ideas and how to present a business plan.

Extended Project

Learn how to plan, carry out and report an extended project. You can choose a topic that matches your degree and career goals, and personal interests.

Financial Accounting

Learn about standard accounting conventions, and the role of financial accounting within organisations.

Independent and Collaborative Study

Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

Information Technology

Discover the key concepts of computer science, including data representation and programming languages.

Intermediate Digital Applications

Gain a better understanding of the digital landscape, and gain the skills you'll need to use online sources for academic study.

Language in Media

Analyse and evaluate the effectiveness of a range of real-world media industry genres and styles.

Logic and Critical Thinking

Explore the concepts, history and skills relating to logic and critical thinking, and how they apply in real-world contexts.

Management Accounting and Financial Management

Find out about the role of financial management in organisations, and techniques for financial decision-making.

Marketing Principles

Gain an insight into the key principles of modern marketing, and its role in business and commercial competition.

Mathematics

Develop your mathematical skill set in areas such as algebra, decision maths, probabilities and statistics.

Media and Society

Evaluate the changing roles and nature of the media and communications industries over time in a global society.

Quantitative Methods for Business

Enhance your understanding of mathematics and quantitative techniques, and how to apply them to accounting, finance and management.

Reading and Writing 2

Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

Reading and Writing 3

Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

Speaking and Listening 2

Practise listening and speaking so that you are better prepared for academic debate and discussion.

Speaking and Listening 3

Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

Study Skills Preparation

Gain an introduction to the wide range of skills and strategies you'll need to succeed at university, such as research methods and using and citing sources.

Tourism and Hospitality

Gain a working knowledge of the tourism and hospitality industries, including how businesses in the sector function, and the external forces that affect them.

UK Society and Culture

Learn more about the culture and society of the UK, and how it differs from others.

Personal development activities (all courses)**Culture and activities**

We'll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

Employability and digital skills

Outside of your academic learning, you'll also be taught skills that will be useful at university and later in life. You'll receive help in making the most of your creativity, improving your communication and developing your digital skills. We'll also help you build a CV, portfolio and online profile to empower you after you graduate.

Social networking

Forming a strong social network can be very beneficial, even if it's just to discuss and debate ideas. Not only will you get to know your classmates, you'll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start your career.

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

English for Academic Purposes

Develop your English to the level you need for university study, and really get involved in academic discussions.

English for Academic Study 2

Improve your English grammar and vocabulary in order to communicate in an academic environment.

English for Academic Study 3

Expand your knowledge of English grammar and vocabulary to the level required for degree study.

Independent and Collaborative Study

Work independently on an academic task, and practise applying your subject knowledge and study skills.

Philosophy, History and Culture

Explore Western philosophy and its history, and analyse events and developments in your degree area in a historical and cultural context.

Project Management

Gain key skills in project management, and apply your knowledge to a project.

Reading and Writing 2

Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

Reading and Writing 3

Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

Research Project

Plan, execute and report a comprehensive research project. You'll choose a research topic based on your degree and career goals, and personal interests.

Speaking and Listening 2

Practise listening and speaking so that you are better prepared for academic debate and discussion.

Speaking and Listening 3

Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

Study Skills Preparation

Gain an introduction to the wide range of skills and strategies you'll need to succeed at university, such as research methods and using and citing sources.

Strategic Management

Explore key concepts of strategic management, and evaluate their impact on businesses and their operations.

Personal development activities (all courses)

Culture and activities

We'll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

Employability and digital skills

Outside of your academic learning, you'll also be taught skills that will be useful at university and later in life. You'll receive help in making the most of your creativity, improving your communication and developing your digital skills. We'll also help you build a CV, portfolio and online profile to empower you after you graduate.

Social networking

Forming a strong social network can be very beneficial, even if it's just to discuss and debate ideas. Not only will you get to know your classmates, you'll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start your career.

Bournemouth University International College Pre-Sessional English

If you meet the academic entry requirements for your Bournemouth University degree, but just need to improve your English language level to be accepted, you can take a Pre-Sessional English course at Bournemouth University International College. We also offer short programmes for students holding unconditional offers who would like some extra preparation before starting their degree.

Your path to University:

Conditional offer holders

Pre-Sessional English (Fast Track)

Pre-Sessional English (Fast Track) is an intensive programme designed to improve your English language skills to meet degree entry requirements of IELTS 6.0, with at least 5.5 in all skills. It will help you succeed at undergraduate or postgraduate level.

› Your Pre-Sessional English (Fast Track) options for degree entry in January or September 2022

Minimum English entry level: UKVI IELTS score*	Course length	Course tuition	Course start	Course end
5.5 overall with at least 5.0 in writing and at least 4.5 in all other skills	6 weeks	£2,040	November 2021	December 2021
			July 2022	August 2022
5.0 overall with at least 4.5 in all skills	12 weeks	£4,080	September 2021	December 2021
			June 2022	August 2022

Pre-Sessional English Language with Study Skills

The Pre-Sessional English with Study Skills option aims to raise your English level to meet your degree offer, and also provides all-round university preparation. It will focus on everything from study strategies to what UK university life is like.

› Your Pre-Sessional English Language with Study Skills options for degree entry in January or September 2022

English entry level: UKVI IELTS score*	Course length	Course tuition	Course start	Course end
From: 4.0 overall with at least 4.0 in all skills To: 7.0 overall with at least 6.5 in writing and at least 5.5 in all other skills	5 - 39 weeks	£1,700 - £13,260	Throughout the year	December 2021 or August 2022

* UKVI IELTS alternatives: we can accept alternative tests as proof of English language for entry to these Pre-Sessional English courses. Learn more at: kaplanpathways.com/uk/ielts/

Unconditional offer holders

Bachelor's Enhancement Programme (BEP) and Master's Enhancement Programme (MEP)

These courses focus on improving your academic skills and English, and on introducing you to living and studying in Bournemouth and the UK. They are aimed at students who hold an unconditional offer, but would like some extra preparation before their degree.

› Your BEP and MEP options for degree entry in January or September 2022
