GET TO KNOW
THE UNIVERSITY

The University of Brighton is a great place for you to get a degree and begin the path to your career. State-of-the-art facilities and a truly global community mean you’re sure to have a rich and rewarding study experience.

EXCELLENT OPPORTUNITIES
The University of Brighton will support your journey towards a fantastic career. It has strong connections with businesses around the world, who regularly post vacancies and attend the university’s careers fairs.

In fact, 92.6% of the university’s graduates are in employment or further study within 6 months of completing their degree (Destination of Leavers from Higher Education 2016–17).

You can also benefit from the University of Brighton’s work placement scheme, which offers lots of opportunities to gain professional experience in a range of jobs.

SUPERB FACILITIES
Over £100 million has been invested in the University of Brighton’s facilities, so you will have access to the highest quality equipment during your degree.

Science and engineering facilities include specialist biomolecular labs, wind turbines and a flight simulator. If you are studying a degree in art and design, you will have access to facilities including textile looms and internationally famous design archives.

DIVERSE STUDENT COMMUNITY
At the University of Brighton, you’ll always have something fun to do. You can join one of the university’s 60 sports clubs, 100+ student societies or 500 community volunteering partners, and enjoy many of the 700+ events that take place each year in the city of Brighton itself.

Wherever you come from, you’ll be warmly welcomed by the university’s staff, and join 3,000 international students from over 150 countries around the world.

HOW CAN I STUDY AT BRIGHTON?
Find out more on page 18 or at kaplanpathways.com/university-of-brighton

The University of Brighton is a place where different opinions, ideas and visions of the world gather to create something unique.

We welcome students from across the world and offer you the chance to study an exceptional choice of subjects in beautiful locations.

While you’re a student here, we will help you to put what you learn into practice through the wealth of work experience, placement and entrepreneurial opportunities that we offer, our excellent connections to industry and our outstanding Careers Service.

We wish you the best of luck with your studies and look forward to helping you prepare for your future.

GET TO KNOW
THE CAMPUS

Brighton has 4 campuses, each with its own fantastic resources and facilities. Find out more about each one below.

MOULSECOOMB
Moulsecoomb is the largest campus. It’s home to over 8,000 students, and has great transport links to the city centre just 2 miles away. Here you can study a range of subjects, including Architecture, Business, Engineering and Pharmacy.

GRAND PARADE
Grand Parade is in the centre of Brighton, and is just a short walk from the beach. If you’re studying Arts, Design or Media, this is where you’ll find wonderful studio spaces and world-class design archives, which offer you a truly inspiring learning environment to further develop your skills.

FALMER
The Falmer campus is on the edge of the beautiful South Downs National Park. Known for its sports facilities and new Psychology laboratories, it is where you will be taught if you are taking a degree in Social Sciences or English.

EASTBOURNE
Eastbourne is a pretty coastal town just over half an hour from Brighton by train. It’s close to award-winning beaches and the beautiful Seven Sisters Country Park. The campus is based near the town centre, and the 3,000 students here study degrees in Hospitality, Sport and more.

BRIGHTON AND SUSSEX MEDICAL SCHOOL
As well as the University’s 4 main campuses, there is also the Brighton and Sussex Medical School. It’s now possible for you to apply to study a Bachelor of Medicine Bachelor of Surgery (BMBS) at the School, which is run jointly by the University of Brighton and the University of Sussex, and is ranked 10th in the UK for Medicine (Guardian University Guide 2019). Based on the University of Sussex campus, it is just a short walk from the University of Brighton’s Falmer campus.

INSPIRING ENVIRONMENT
As a student at the University of Brighton, you can access excellent campus facilities. These include modern libraries with lots of study spaces and reference materials; science laboratories; arts, design and media studios; a specialist media centre; and high-tech computer rooms. You can also connect to WiFi across the campuses, so it’s easy to get online. Brighton is one of the most creative and innovative cities in the UK, so you can have an inspiring study experience that will challenge your creative talents.

JOIN THE FUN
If you’re looking to make the most of campus life, make new friends and see the best of Brighton, try the university’s Students’ Union. Its wide range of sports clubs and student-run societies means there is something for everyone. You can keep up with a favourite activity, or try a new hobby and expand your horizons!
GET TO KNOW BRIGHTON

In Brighton, you’ll be studying in a city that’s famous for its art, culture, beaches and more! It’s one of the UK’s leading creative centres, with some great entertainment venues, as well as many fantastic shops and restaurants.

TOP 5 THINGS TO DO IN BRIGHTON
1. GO SHOPPING IN ‘THE LANTES’
2. RELAX OR GO FOR A SWIM AT THE BEACH
3. VISIT THE BEAUTIFUL ROYAL PAVILION
4. HAVE FUN ON THE PALACE PIER
5. DISCOVER THE WORLD’S OLDEST AQUARIUM

FANTASTIC BEACHES
Brighton has one of the UK’s most famous and popular beaches. Here you will find a great range of seafront art stalls, cafés and traditional English tearooms. You’ll also find Yellowave, the UK’s first beach sports centre of its kind, which runs daily games of volleyball, football, rugby and more.

FUN AND FOOD
Brighton is renowned for its wide range of restaurants that offer amazing food from across the world. You could find a dish from your home country, or discover a new favourite. Once you’ve enjoyed some great food, it’s time for some adventure! Try the Brighton Zip flying experience, where you can speed through the air high above Brighton Beach. Or for something a little more chilled out, be sure to explore Brighton’s many parks and gardens.

CREATIVE SPIRIT
Brighton is the home of Brighton Fringe, the largest annual arts festival in England. You can find great art, music and theatre all year round at Brighton Museum and Art Gallery, the Theatre Royal and other excellent venues. This creativity is also seen in the many wonderful independent shops in Brighton that sell unique clothing, accessories and lots more!

GREAT FOR TRAVEL
Brighton has a great location that makes it easy to explore outside the city. London is only 50 minutes away by train, so it’s great for a day trip or even a weekend away. Gatwick Airport is even closer to Brighton, just 30 minutes by rail. This means you’re well placed to explore Europe and beyond.

Discover more about life in Brighton: kaplanpathways.com/brighton-life
The first thing that attracted me to the city of Brighton was the beach! Also, when I did my research, I found that it’s very multicultural. The people here are really open-minded. I have made friends from so many countries and regions, including Colombia, China, Taiwan and Nepal. It’s really amazing. Honestly, I absolutely love living in Brighton!

MERIEM FROM MOROCCO, FOLLOWED HER PATH TO APPLIED PSYCHOLOGY AND CRIMINOLOGY BA (HONS)
Students from across the world have chosen to study at the University of Brighton, and many have gone on to be highly successful. With a degree from here, you too could do amazing things.

BUSINESS CONNECTIONS
Brighton is a career-focused university, with links to thousands of businesses all around the world.

Many degrees allow you to gain work experience through a paid professional placement year. Past students have taken these at top global companies like Nike, American Express and British Airways.

You can also build great contacts through the university’s huge alumni network.

CAREERS SERVICE
Throughout your degree, you’ll have access to the university’s great careers service. Friendly advisers can help you search for suitable internships, and show you how to practise for interviews.

You can also make use of the university’s mentoring schemes, where a professional mentor teaches you employability skills like co-operation, strategic thinking and listening skills. All of this will help you feel confident when you enter the job market.

GLOBAL SUCCESS

Your University of Brighton degree will be a great asset in your career, as employers will value you very highly. Look at what alumni have gone on to achieve around the world:

1. UNITED STATES
   Anne Zielinski-Old
   Artist and designer

2. BRAZIL
   Renata Yumi Shimabukuro
   Communication and Marketing Manager at TV Cultura

3. UNITED KINGDOM
   Cliff Wright
   Illustrator of the cover art for several books from the Harry Potter series

4. POLAND
   Barbara Hulanicki
   Founder of Biba fashion label

5. NIGERIA
   Carmen Nibigira
   Regional Co-ordinator for East African Tourism Platform

6. KENYA
   Ragheb Aga
   International cricketer

7. CHINA
   Dr Hong Lu OBE
   Deputy Director at LSE Confucius Institute for Business

8. MALAYSIA
   Dato Ir. Abdul Rahim Abu Bakar
   Former Vice-President of Petronas Petrochemical Business

9. JAPAN
   Akira Kuroda
   Novelist

The University of Brighton has alumni from 150+ countries worldwide.
YOUR PATH TO UNIVERSITY
ON-CAMPUS COURSES

FOUNDATION CERTIFICATE
To gain entry to an undergraduate degree, take a Foundation Certificate on campus. You’ll be fully ready for university, and can then progress on to the 1st year of your undergraduate degree.

INTERNATIONAL YEAR ONE (IYO)
If you have completed high school with good grades, you might qualify to study an IYO. This combines preparation for university with similar content to that of undergraduate degree 1st year, letting you progress directly to the 2nd year at the University of Brighton.

PRE-MASTER’S
If you have minimum 3 years of Higher education or equivalent, but don’t quite qualify for entry to a postgraduate degree, your best option is a Pre-Master’s course. This will bring your knowledge and skills to entry level for a postgraduate degree at the University of Brighton.

WHAT IS A PATHWAY COURSE?
If you’ve finished high school or university, but don’t qualify for entry to a UK degree, you can gain a place via a pathway course. You’ll improve your subject knowledge, academic skills and English language level, so you’re ready for your university degree.

You’ll take the course at the University of Brighton International College on campus. There are routes to undergraduate and postgraduate degrees, and we guarantee progression to the University of Brighton when you pass your pathway course at the required level, with good attendance. (Separate progression conditions apply for Brighton and Sussex Medical School. Contact us for details).

WHAT IS A PATHWAY COURSE?
If you’ve finished high school or university, but don’t qualify for entry to a UK degree, you can gain a place via a pathway course. You’ll improve your subject knowledge, academic skills and English language level, so you’re ready for your university degree.

INTERNATIONAL COLLEGE

Based on campus, the University of Brighton International College offers carefully designed pathway courses to help you get ready for your degree, and succeed in your studies.

A UNIVERSITY EXPERIENCE
Although you are preparing for a degree, you will feel like a University of Brighton student from day one. You’ll study on the Moulsecoomb or Grand Parade campus, and have access to university facilities. These include libraries, the sports centre, IT labs, cafés and much more, helping you integrate into campus life immediately.

ALL THE HELP YOU NEED
On your pathway course, you’ll receive all the necessary support to progress to your university degree. Teachers will give you expert academic help, while our support staff will make sure you settle in and have a fantastic time in Brighton.

IDEAL PREPARATION FOR A SUCCESSFUL DEGREE
Your college course is designed to prepare you for your University of Brighton degree. We will focus on improving your subject knowledge and academic skills, and help you raise your English language to the level required for degree entry. This means that you’ll be well equipped to succeed when you finish your pathway course.

Find us online at: kaplanpathways.com/brighton

You are guaranteed entry to your Brighton degree if you pass your pathway course at the required level, with good attendance. Additional conditions apply to Medicine BS BM.

OAKLEY LEWIS
COLLEGE DIRECTOR, UNIVERSITY OF BRIGHTON INTERNATIONAL COLLEGE
At Kaplan, we believe in the need to have teachers who can truly inspire you to learn. Our expert academic staff will give you the best education, helping you reach your goals.

**ACHIEVE YOUR BEST**

You’ll have frequent meetings with your tutor, where you can ask any questions you have, while carefully timed assessments will help you track your progress towards your degree. We’ll send reports on your attendance, plus how you’re settling in and progressing, to your agent, parents and, where applicable, your sponsor and/or guardian, so they can help you work towards your goals.

**MORE THAN JUST CLASSES**

Your classes will offer you a dynamic learning experience with an emphasis on discussion and debate. You’ll receive learning materials before each class, allowing you to really get involved in conversations. You’ll gain a deeper understanding of the topic, and improve your English language level at the same time.

**CUSTOMISE YOUR COURSE**

During your course, you will in many cases have the chance to choose some of your modules, and some topics you base your projects on. This will help ensure what you’re studying matches your interests and your progression degree. After all, it’s always better to study something that really interests you!

Watch our video with tips from teachers at: kpln.org/teachers-tips

---

"The International College has a really dynamic atmosphere. The students have so much energy—I really enjoy working with them!"

-Lucia Neal (left), science tutor at the University of Brighton International College

I love seeing how proud the students are when they finish a new task. It’s great to see them grow more confident as they achieve success.

Brighton has so much to see and do, but it isn’t too big or overwhelming, so it’s perfect for students like you!

-Lucia Neal (left), science tutor at the University of Brighton International College

**LEARN YOUR WAY**
Studying abroad is a big step to take. When you come to the University of Brighton International College, we'll support you throughout your pathway experience!

BEFORE YOU ARRIVE
Even before you come to the UK, we'll be giving you support. You'll get useful advice on the visa application process, and we'll send you an information pack so you can learn more about UK life. And, if you're under 18 years old, we can arrange the legal guardian that you'll need during your studies for your wellbeing.

AFTER YOU ARRIVE
When you arrive in the UK, we'll make sure that you're comfortable and have everything you need. With our airport transfer service, there will be a friendly face to meet you, and you can arrive at your new home easily and without stress.

WELCOME WEEK
You’ll get to know your new environment as part of the College’s Welcome Week, which happens before your classes start. You’ll meet college staff, make friends with other international students, and have the chance to take part in lots of fun activities. We’ll also guide you on setting up a bank account and registering with a doctor.

ON-GOING SUPPORT
Your welfare is always our top priority. If you need anything, just ask, and our staff will be happy to help. In addition, we organise frequent activities, trips and events to introduce you to the local area, and to the UK generally.

I’ve needed help from College staff a couple of times, regarding my attendance for instance. I missed one class because of the snow, and the bus services were closed, so I went to the support staff and they told me that I didn’t need to worry about it. I’ve also made a lot of friends here. I know almost everyone in the College and have a lot of friends in my accommodation because people in Brighton are very friendly!

SAHAR KHAN FROM PAKISTAN
FOUNDATION CERTIFICATE IN BUSINESS

HAVE FUN WHILE YOU STUDY
We'll organise trips and activities to help you socialise, and to see more of the UK. Some of these activities might include bowling, ice skating, a trip to a theme park, or even a day out in London.

PROGRESSING TO YOUR DEGREE
Once you’ve completed your course, we’ll help you make the transition onto your degree at university. We can also help you explore other study options if necessary.

2524
Where you live makes a big difference to your study experience. That’s why we want to make sure you have the perfect place to stay during your course. Our new accommodation in Brighton, Kaplan Living, is comfortable and modern, offering everything you need to enjoy student life.

KAPLAN LIVING
When you study with us, you’ll be staying in a brand new, purpose-built residence, opening for the very first time in 2019. This state-of-the-art accommodation will give you an ideal place to live and study. You can make the most out of the group study spaces, or chill out, play games and make new friends in the building’s relaxation area. The development also features a few shops and a café, making your life in Brighton easy and convenient.

A PERFECT LOCATION
Situated right in the heart of Brighton, the Kaplan Living residence couldn’t be in a better location. It’s close to the stunning Brighton Pavilion, and just a 10-minute walk from the beach. You’ll also be living close to the city’s famous pier, and just a short walk from the city centre, with all its shops, bars and restaurants. It’s a great place from which to explore Brighton, and to really experience what life is like in the UK!

WHAT’S INCLUDED?
• Bills, maintenance and WiFi are all included in your contract
• Special booking and post-arrival support
• Contract lengths to fit your study dates
• Variety of room preferences including under-18 and single gender options (subject to availability)
• Free student starter pack, with bedding and cooking equipment
• Access to in-house laundry facilities (usage charges apply)

HOW TO BOOK
You can apply for accommodation at the same time that you apply for your course.

1. Indicate on the college application form that you require accommodation.
2. After you receive your offer to study, you can book your accommodation by completing the accommodation booking form and paying the holding fee (typically £1,000) when you accept your offer.
3. You’ll then receive an accommodation tenancy agreement. Read, sign and return this to reserve your room.

ROOM OPTIONS
CLASSIC
Classic rooms feature a private bathroom, shared kitchen, and are located throughout the building.

DELUXE
Deluxe rooms feature a private bathroom, shared kitchen, and are typically located on the upper floors, with impressive views.

STUDIOS
A studio is a larger room with a private bathroom and a self-contained kitchen, located throughout the building.

OUR GUARANTEE

Entry to your University of Brighton undergraduate degree is guaranteed if you pass your pathway course at the required level, and with good attendance. Additional conditions apply to Medicine BS BM.

I liked my course because the college staff helped to make the process easier. You have to do the work, but they make everything really clear. I could always ask my tutors if I had any queries at all as they’re so easy to talk to.

HISAAH FROM KUWAIT FOLLOWED HER PATH TO PHARMACY MPHARM (HONS)

YOUR GUARANTEE

- Your Foundation Certificate or International Year One course will have a special combination of modules that’s designed to fit your degree and career aspirations. This means that your course is matched to your unique goals.
- Some of these modules will be taken by you and all other students on your pathway course. This gives you a solid base of common study skills that you will need at university.
- In many cases, you can also customise your pathway course by choosing some or all additional modules from a selection, and / or by completing 1 or more pieces of work based on your interests and degree subject.
- During your Foundation Certificate or International Year One, you’ll have frequent assessments to check that you’re on track to progress to your University of Brighton degree.
Find your preferred undergraduate degree in the tables, and use the key to discover which University of Brighton International College pathway course is right for you.

  - Computer Science BSc (Hons)

*These degrees are also available with a placement year.
†For this degree, you must also submit a statement of purpose with your application to the Foundation Certificate. This will be followed by an interview with our Admissions team to assess your suitability for the course.
‡Admission to this degree is conditional on completing both a BMAT and BMAT test upon your arrival in Brighton, and successfully completing an interview with the Brighton and Sussex Medical School. An interview is guaranteed if you pass your pathway course at the required level with good attendance. The BMAT has no pass or fail mark, but your results may be considered alongside your interview score when determining your suitability for a place on the BMBS degree.

Example careers: Architect | Copywriter | Fashion Designer | Film Producer | Graphic Designer | Illustrator | Multimedia Specialist

Personal Development Activities

During your pathway course, you’ll also work on developing your online personal portfolio and practical skills, giving you a truly well-rounded experience. See page 45 for more details.

Your Degree Possibilities

See page 30 for specific degrees that this Foundation Certificate can lead to.

Important Information

Applying for a 2-term course
For the 2-term course, it may help your application to provide us with a portfolio of art and design work or a personal statement.

Course Materials
At the start of this course, you’ll have £60 credited to your student ID card. This can be used to buy art, design and media materials you may need on your course, and will usually cover the majority of items.

Teaching Location
This course is taught at the University of Brighton’s Grand Parade campus.

Course Modules

(see page 44 for module contents)

2 TERMS

All students study these modules to gain a solid base of skills:

- English for Academic Purposes
- Creative Practice and Portfolio

You’ll also take 2 of the following that best fit your degree and career goals (for progression to some degrees, the University will require you to take particular modules):

- Entrepreneurship
- Intermediate Digital Applications
- People, Culture and Society
- Visual Culture

2.5 AND 3 TERMS

You’ll also study these modules if your English level is below UKVI IELTS 5.5:

- Art, Design and Media
- English for Academic Study 3
- Reading and Writing 3
- Speaking and Listening 3

Or if you have at least UKVI IELTS 5.5, or do not need to take an IELTS test, you’ll study these modules:

- Art, Design and Media
- Critical Reading, Writing and Reasoning for Higher Education
- Contemporary Art in Context
- Digital Applications
- Preparatory Statistics
- UK Society and Culture
FOUNDATION CERTIFICATE FOR BUSINESS, TOURISM AND SOCIAL SCIENCES

This course covers a wide spectrum of studies, perfectly preparing you for a career in the public or the private sectors. Whether you are interested in Accounting, Business, Politics or Psychology, this Foundation Certificate will give you the skills that you’ll need for your university degree.

Example careers: Accountant | Business Manager | Events Manager | Financial Trader | Lawyer | Policy Maker | Psychologist

COURSE MODULES

(see page 44 for module contents)

2 TERMS

All students study these modules to gain a solid base of skills:
• English for Academic Purposes
• Extended Project

You’ll also take 2 or 3 of the following that best fit your degree and career goals (for progression to some degrees, the University will require you to take particular modules):
• Contemporary Global Issues
• Entrepreneurship
• Intermediate Mathematics
• Logic and Critical Thinking
• Mathematics
• People, Culture and Society
• Statistics

You’ll also study these modules if your English level is below UKVI IELTS 5.5:
• English for Academic Study 3
• Independent and Collaborative Study
• Reading and Writing 3
• Speaking and Listening 3

Or if you have at least UKVI IELTS 5.5, or do not need to take an IELTS test, you’ll study these modules:
• Critical Reading, Writing and Reasoning for Higher Education
• Independent and Collaborative Study
• Plus 2 of the following 4:
  • Digital Applications
  • Preparatory Mathematics
  • Preparatory Statistics
  • UK Society and Culture

PERSONAL DEVELOPMENT ACTIVITIES

During your pathway course, you’ll also work on developing your online personal portfolio and practical skills, giving you a truly well-rounded experience. See page 45 for more details.

YOUR DEGREE POSSIBILITIES

See page 30 for specific degrees that this Foundation Certificate can lead to.
Computing is an important subject, and it's only becoming more critical for students to gain an education in the field. Studying Computing will give you extremely valuable technical skills and knowledge that will really prepare you for the future. On this course, you'll be equipped with the skills you'll need for progression to a university degree in a field related to Computing.

Example careers: Applications Developer | Cybersecurity Specialist | Games Developer | Software Engineer | Web Developer

Example careers: Accountant | Business Manager | Economist | Entrepreneur | Finance Officer | Marketing Executive

PERSONAL DEVELOPMENT ACTIVITIES

During your pathway course, you’ll also work on developing your online personal portfolio and practical skills, giving you a truly well-rounded experience. See page 45 for more details.

YOUR DEGREE POSSIBILITIES

See page 30 for specific degrees that this International Year One can lead to.
Find out what you’ll study in your course modules in the summaries below.

**2-TERM MODULES**

**ACCOUNTING AND FINANCE FOR MANAGERS**
Apply techniques for financial reporting, financial analysis and management accounting in a business context.

**APPLIED PROJECTS**
Apply key academic skills to your subject learning in other areas of your programme. Choose topics in line with your degree and career goals, and your own interests.

**BIOLOGY**
Learn about biological systems and organisms, as well as key lab processes.

**CHEMISTRY**
Gain an understanding of chemical reactions, fundamental particles and the periodic table.

**CONTEMPORARY GLOBAL ISSUES**
Explore the big issues facing humanity in the 21st century, and critically evaluate their causes and effects.

**CREATIVE PRACTICE AND PORTFOLIO**
Research the work of selected practitioners in your field, responding to and evaluating their work, in your own illustrative portfolio.

**ECONOMICS**
Gain an understanding of macro and micro economics, and explore current trends and issues in the field.

**ENGLISH FOR ACADEMIC PURPOSES**
Develop your English to the level you need for university study, and to really get involved in academic discussions.

**ENTREPRENEURSHIP**
Familiarise yourself with concepts of creativity, entrepreneurship and innovation, and how to apply them in business.

**INTERMEDIATE MATHEMATICS**
Expand your knowledge of mathematical concepts including algebra, geometry, problem-solving, trigonometry and vectors.

**LOGIC AND CRITICAL THINKING**
Explore concepts, history and skills relating to logic and critical thinking, and how they apply in real-world contexts.

**MANAGEMENT ACCOUNTING AND FINANCIAL ANALYSIS**
Explore management and financial accounting issues, as well as process costing, pricing and profitability analysis.

**MARKETING IN THE OPERATIONAL CONTEXT**
Gain an understanding of international business processes, and the effects of marketing activities on organisations.

**MATHEMATICS**
Develop your mathematical skill set in areas such as algebra, decision maths, probabilities and statistics.

**ORGANISATIONAL BEHAVIOUR**
Explore the fundamentals of organisational behaviour, and trends in organisational environments, structures and design.

**PEOPLE, CULTURE AND SOCIETY**
Learn about the history, theories and issues that relate to human culture and society around the world.

**PHYSICS**
Gain an understanding of areas such as astrophysics, electromagnetism, mechanics and thermodynamics.

**QUANTITATIVE METHODS FOR BUSINESS**
Learn about quantitative techniques, and gain analytical and evaluative skills that are needed in the modern business world.

**STATISTICS**
Learn basic algebra, as well as the skills needed to analyse and apply statistics in a range of ways.

**TOURISM**
Explore the forces that affect the travel and hospitality industries, and the economic, social and environmental impact they have.

**VISUAL CULTURE**
Using an annotated visual research journal, you will evaluate key practitioners and movements and their historical, cultural and political contexts.

**2.5 AND 3-TERM MODULES**

**ART AND DESIGN AND MEDIA**
Explore a range of materials, workshop techniques, processes and practical skills, and begin to develop your research, interpretation and critical evaluation skills.

**CONTEMPORARY ART IN CONTEXT**
Review the key movements and practitioners in the 20th century within your field, considering trends within historical, political and cultural contexts.

**CRITICAL READING, WRITING AND REASONING FOR HIGHER EDUCATION**
Enhance your ability to read and understand complex ideas in English, and to compose convincing written arguments.

**DIGITAL APPLICATIONS**
Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

**ENGLISH FOR ACADEMIC STUDY 3**
Expand your knowledge of English grammar and vocabulary to the level required for degree study.

**INDEPENDENT AND COLLABORATIVE STUDY**
Work independently and in teams on an academic task, and practice applying your subject knowledge and study skills.

**PREPARATORY MATHEMATICS**
Develop your numeracy skills, including algebra, geometry and graphs.

**PREPARATORY SCIENCE**
Gain an introduction to core scientific knowledge and the subject-specific language required to study the sciences.

**REASONING FOR HIGHER EDUCATION**
Build on your knowledge of using statistics, including the use of data to illustrate facts and support theories.

**READING AND WRITING 3**
Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

**SPEAKING AND LISTENING 3**
Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

**UK SOCIETY AND CULTURE**
Learn more about the culture and society of the UK, and how it differs from others.

---

**PERSONAL DEVELOPMENT ACTIVITIES (ALL COURSES)**

Culture and activities
We’ll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

Digital and employability skills
Outside of your academic learning, you’ll also be taught skills that will be useful at university and later on in life. You’ll receive help in making the most of your creativity, on improving your communication and developing your digital skills. We’ll also help you build a CV, portfolio and online profile to empower you after you graduate.

Social network
Forming a strong social network can be very beneficial, even if it’s just to discuss and debate ideas. Not only will you get to know your classmates, you’ll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start a career.
I would recommend the University of Brighton to other international students, as it is a great place to study. There are really creative people here and everyone wants to help.

CHANGYU (FELIX) FROM CHINA FOLLOWED HIS PATH TO SUSTAINABLE DESIGN MA

A Pre-Master’s is your best route to a University of Brighton postgraduate degree. The right one for you depends on your academic qualifications, English language level and subject preference.

PRE-MASTER’S
For entry to a postgraduate degree. Offered for:
- Art, Design and Media page 48
- Business, Hospitality, Tourism and Social Sciences page 50
- Science and Engineering page 52

WHAT’S THE RIGHT PATH FOR ME?
Turn to page 48 to find the postgraduate degree you want, and to see which pathway course or courses lead there.

PRE-MASTER’S
1 year

POSTGRADUATE DEGREE
with a University of Brighton degree

GRADUATE
with a University of Brighton degree

OUR GUARANTEE
Entry to your University of Brighton postgraduate degree is guaranteed if you pass your Pre-Master’s at the required level with good attendance.

OUR GUARANTEE
Entry to your University of Brighton postgraduate degree is guaranteed if you pass your Pre-Master’s at the required level with good attendance.

YOUR PATH, YOUR WAY: A COURSE TO FIT YOUR NEEDS
- Your Pre-Master’s course will have a special combination of modules that’s designed to fit your degree and career aspirations. This means that your course is matched to your unique goals.
- Some of these modules will be taken by you and all other students on your course. This gives you a solid base of common study skills that you’ll need at university.
- In some cases, you can also customise your course by choosing some or all additional modules from a section, and/or by selecting some project topics based on your interests and degree subject.
- During your Pre-Master’s, you’ll have frequent assessments to check you’re on track to progress to your University of Brighton degree.
# CHOOSE YOUR POSTGRADUATE DEGREE

Find your preferred University of Brighton degree in the tables below, and use the key to discover which pathway course at the International College is right for you.

### COURSE MODULES

(see page 54 for module contents)

#### 2 TERMS

- Art, Design and Media Portfolio
- Art, Design and Media Research Project
- English for Academic Purposes

#### 2.5 AND 3 TERMS

All students study these modules to gain a solid base of skills:
- Art, Design and Media Portfolio
- Art, Design and Media Research Project
- English for Academic Purposes

You’ll also take 1 of the following that best fits your degree and career goals (for progression to some degrees, the University will require you to take a particular module):
- Advanced Art, Design and Media
- Media Theories and Practice
- Project Management

You’ll also study these modules to prepare for university:
- Art, Design and Media
- English for Academic Study 3
- Reading and Writing 3
- Speaking and Listening 3
- Plus 1 of the following 2:
  - Contemporary Art in Context
  - Digital Applications

### PERSONAL DEVELOPMENT ACTIVITIES

During your pathway course, you’ll also work on developing your online personal portfolio and practical skills, giving you a truly well-rounded experience. See page 55 for more details.

### YOUR DEGREE POSSIBILITIES

See page 46 for specific degrees that this Pre-Master’s can lead to.
PRE-MASTER’S FOR BUSINESS, HOSPITALITY, TOURISM AND SOCIAL SCIENCES

This pathway course covers a range of interesting subject areas, and will develop your existing study skills and prepare you for a master’s degree. You’ll also gain further knowledge that will be useful on degrees ranging from Tourism to Business Studies to Psychology.

Example careers: Accountant | Business Manager | Economist | Events Manager | Investment Banker | Psychologist

Your Degree Possibilities

See page 46 for specific degrees that this Pre-Master’s can lead to.

Personal Development Activities

During your pathway course, you’ll also work on developing your online personal portfolio and practical skills, giving you a truly well-rounded experience. See page 55 for more details.

Course Modules

(see page 54 for module contents)

2 Terms

All students study these modules to gain a solid base of skills:
- English for Academic Purposes
- Research Project

You’ll also take 2 of the following that best fit your degree and career goals (for progression to some degrees, the University will require you to take particular modules):
- Advanced Social Science
- Advanced Statistics
- Project Management
- Strategic Management

2.5 and 3 Terms

You’ll also study these modules to prepare for university:
- English for Academic Study 3
- Independent and Collaborative Study
- Reading and Writing 3
- Speaking and Listening 3
## Pre-Master’s for Science and Engineering

Between them, Science and Engineering cover a wide range of incredibly important study areas. Gaining a master’s degree in Science or Engineering could see you go on to become anything from a Physiologist to a Construction Manager. This course will equip you with the skills you need to undertake a technical degree in the field of Science or Engineering.

### Example Careers
- Biomedical Scientist
- Civil Engineer
- Clinical Pharmacist
- Electrical Engineer
- Environmental Officer
- Researcher

See page 46 for specific degrees that this Pre-Master’s can lead to.
2-TERM MODULES

ADVANCED ART, DESIGN AND MEDIA
Evaluate the styles, movements and key figures in the recent history of art, design and media, and analyze the key features and techniques they used.

ADVANCED SOCIAL SCIENCE
Learn about the key theories in social sciences, and their relation to methodologies in the field.

ADVANCED STATISTICS
Critique research data and apply the standard statistical tools for the analysis of research quality.

ART, DESIGN AND MEDIA PORTFOLIO
Create the practical components which complement the theoretical and reflective work undertaken in your Research Project for Art, Design and Media module.

ART, DESIGN AND MEDIA RESEARCH PROJECT
Evaluate the theoretical and reflective components that will complement the practical work you produce in the Art, Design and Media Portfolio module.

ENGINEERING, SCIENCE AND SOCIETY
Gain an awareness of ethical issues and debates surrounding research and innovation in the sciences.

ENGLISH FOR ACADEMIC PURPOSES
Develop your English to the level you need for university study, and to really get involved in academic discussions.

MEDIA THEORIES AND PRACTICE
Critique aspects of media theory and practice and use practical production techniques to design and create your own media artefacts.

PROJECT MANAGEMENT
Gain key skills in project management, and apply your knowledge to a project.

RESEARCH PROJECT
Plan, execute and report a comprehensive research project; you’ll choose a research topic based on your degree and career goals, and personal interests.

2.5 AND 3-TERM MODULES

ART, DESIGN AND MEDIA
Explore a range of materials, techniques, and processes, and develop your research, interpretation and critical evaluation skills.

CONTEMPORARY ART IN CONTEXT
Review the key movements and practitioners in the 20th century within your field, considering trends within historical, political and cultural contexts.

DIGITAL APPLICATIONS
Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

ENGLISH FOR ACADEMIC STUDY 3
Expand your knowledge of English grammar and vocabulary to the level required for degree study.

INDEPENDENT AND COLLABORATIVE STUDY
Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

READING AND WRITING 3
Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

SPEAKING AND LISTENING 3
Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

POSTGRADUATE PATHWAY COURSE MODULES

Find out what you’ll study in your course modules in the summaries below.

PERSONAL DEVELOPMENT ACTIVITIES (ALL COURSES)

Culture and activities
We’ll help you have a hugely beneficial cultural and social experience, as well as encourage you to explore different activities, sports, and more. You might learn more about local history and culture, or develop your wider subject knowledge and understanding of related industries.

Digital and employability skills
Outside of your academic learning, you’ll also be taught skills that will be useful at university and later in life. You’ll receive help in making the most of your creativity, improving your communication and developing your digital skills. We’ll also help you build a CV, portfolio and online profile to help you after you graduate.

Social network
Forming a strong social network can be very beneficial, even if it’s just to discuss and debate ideas. Not only will you get to know your classmates, you’ll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start a career.
START
YOUR PATH
JOIN US AT THE UNIVERSITY OF BRIGHTON INTERNATIONAL COLLEGE IN 10 SIMPLE STEPS

1. Apply online at: kaplanpathways.com/brighton-apply
2. Submit supporting documents, including a copy of your passport and any previous UK visas, now or at a later stage
3. Receive an admissions decision
4. Meet the conditions of your offer
5. Pay deposit and administration fee or send financial guarantee to accept your offer, and book your accommodation*
6. Receive your accommodation agreement, pre-arrival guide and CAS (Confirmation of Acceptance for Studies)
7. Apply for a visa—see gov.uk/ukvi for more information
8. Receive your visa and send us a scan
9. Book your flight and fill in the online pre-arrival form
10. Arrive in Brighton—we look forward to welcoming you to the College

UNCONDITIONAL OFFER
No conditions to meet or additional documents to send.

CONDITIONAL OFFER
You need to meet certain academic conditions and/or send extra documents so we can fully accept your application.

OTHER OPTIONS
Explore alternative or more suitable study options with your education adviser.

HOW LONG DOES THE APPLICATION PROCESS TAKE?
If your application to study is complete and successful, once our Admissions team receives it, they will issue a study offer within 1 working day. The duration of the process that follows can vary, so it is good to apply at least a few months in advance of your start date. This will allow you enough time to apply for your visa, reserve your accommodation and prepare for your trip.

DO I NEED INSURANCE DURING MY COURSE?
You’ll need to be fully covered by student insurance for all of your pathway course in the UK. In partnership with Endsleigh, a leading insurance provider, we can offer a comprehensive policy. Find out more at: kaplanpathways.com/insurance

ARE SCHOLARSHIPS AVAILABLE?
Some partial tuition fee scholarships for pathway courses and degrees are available for students with good grades. You can find out more at: kaplanpathways.com/how-to-apply/scholarships

DO I NEED A GUARDIAN DURING MY STUDIES?
If you are under 18 years old, you’ll need a legal guardian in the UK until you turn 18. This is something we can help arrange. Find out more at: collegeguardians.co.uk

DO I NEED TO BRING A LAPTOP OR DEVICE?
While you’re studying, you’ll need a laptop or similar device to help you study. If you don’t already own one, we can help you purchase one when you arrive.

If you still have questions to ask about the University of Brighton International College, the answers here should help. You can also contact us for more information—you’ll find contact details on page 63.

OTHER OPTIONS
Explore alternative or more suitable study options with your education adviser.

Tuition fees
£12,590 to £16,680 (depending on course level, subject and length), typically including a £5,000 deposit.

Administration fee
£200 (payable at the same time as the tuition deposit).

Course books
Up to £500 (depending on course length and subject).

Accommodation
£7,945 to £18,810 (depending on accommodation option and course length)*, typically including a £1,000 holding fee.

Living expenses
At least £1,015 per month (in line with UKVI regulations).

Insurance
£227 to £700 (depending on your course length).

* These amounts are based on previous academic years. Confirmed figures for 2019-20 will be available online soon—contact us for more information.

HOW MUCH MONEY DO I NEED TO STUDY AT THE COLLEGE?
Studying in the UK is a big investment, so you need to plan ahead. You must have at least £1,015 per month of your course, up to a maximum of 9 months, as well as funds to cover any unpaid tuition fees. This must be held in a recognised bank account for at least 28 days before you apply for a Tier 4 (General) student visa. See the guide to the right for more information on costs.

WHAT SUPPORTING DOCUMENTS DO I NEED TO PROVIDE?
For your application to be complete, you need to send us a few extra items. These include:
- copies of your passport and any previous UK visas
- IELTS certificate (UKVI Academic)
- academic transcripts (accompanied by certified translations if the originals aren’t in English)
- references
You can still apply without all these items, so we can fully accept your application.

DO YOU SPEAK MY LANGUAGE?
If you, or your parents, want to speak to us in your first language, our staff speak many different languages between them.

This prospectus has been drafted in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publishing, but changes may occur in the course content and this may be due to factors outside of the control of the University. It is therefore very important to check the website or contact us for any updates before you apply. Once you have applied, any change which impacts the terms and conditions of your offer or a significant part of your programme will be communicated to you.

University of Brighton International College is operated by Kaplan Brighton Limited (company number: 07331979), with registered address: 2nd Floor, Warren building, Warren Village, Avenue Road, London W14 8HG.

WE LOOK FORWARD TO WELCOMING YOU TO BRIGHTON SOON!
