Foundation Certificate

Business and Finance

Foundation Certificate

Business and Finance

Minimum English level: UKVI IELTS score*	Course length	Course tuition	Course start	Course end	Extra support
› Your Foundation Certificate options for degree entry in September 2022					
5.5 overall with no less than 4.5 in any skill†	2 terms	£18,290	September 2021	May 2022	
			January 2022	August 2022	
5.0 overall with no less than 4.0 in any skill†	3 terms	£19,575	September 2021	August 2022	1 term of Academic Skills and English language modules
› Your Foundation Certificate options for degree entry in September 2023					
5.0 overall with no less than 4.0 in any skill†	3 terms	£19,575	July 2022	May 2023	1 term of Academic Skills and English language modules

† Please note: courses leading to degrees at York Management School have slightly higher IELTS entry requirements:

2 terms: 5.5 overall with no less than 5.0 in any skill.

3 terms: 5.0 overall with no less than 4.5 in any skill.

Common modules taken by all students:

- › Business and Management
- › Introduction to Economics
- › Language and Study Skills 2
- › Statistics

Extra support: for 3-term courses, you will also take Academic Skills and English language modules to give you additional preparation for university:

- › Contemporary Global Issues
- › Foundation Mathematics
- › Language and Study Skills 1

Learn more about modules: you'll find module summaries later in this booklet.

* UKVI IELTS alternatives: we can accept alternative tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/

Academic entry requirements: for all course options above, you need to have completed high school at the required level.

For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder:

kaplanpathways.com/york/ug-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals. This flexibility means that you can follow your path to university, your way.

Extra support: for 3-term courses, you will also take an Entry to Pre-Masters module to give you additional preparation for university:

- › English for Academic Purposes

Learn more about modules: you'll find module summaries later in this booklet.

* UKVI IELTS alternatives: we can accept alternative tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/

Academic entry requirements: for all course options above, you need to have completed at least 3 years of higher education in a suitable subject. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder:

kaplanpathways.com/york/pg-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals. This flexibility means that you can follow your path to university, your way.

Contemporary Issues in Society

Develop understanding of political and social issues, including perspectives related to education and the media.

English for Academic Purposes

Learn English language skills in an academic context, and improve your writing and speaking skills.

English Language Pre-Sessional for Pre-Masters

Gain an introduction to academic life at the University, develop your academic language ability, and learn the skills you'll need on the Pre-Masters course and your degree.

International Business with Law

Achieve a broad understanding of the international business environment, including its financial and legal aspects.

Introduction to Management

Understand the functions of management within a practical context.

Language and Study Skills

Develop your academic language in reading, writing, speaking and listening, using a range of media. Improve your study skills to become a more independent learner.

Mathematics for Postgraduates

Learn key differentiation and integration techniques, and study limits, sequences and series, equations of lines, planes and surfaces, and double and triple integrals and vector calculus.

Research Skills

Develop your design, organisational and critical thinking skills to conduct your own research project and evaluate the work of others.

Mastering the Social Sciences for the 21st Century

Develop knowledge and understanding of the social sciences that will give you the confidence to be successful in your future postgraduate study.

Statistics for Postgraduates

Learn methods of probability and statistics, experimental design and sampling, and develop data handling skills.

University of York International Pathway College Pre-Sessional English

A Pre-Sessional English course will help you meet the requirements of an undergraduate or postgraduate degree if you have a conditional offer.

Pre-Sessional English courses 32

Pre-Sessional English course information

Management and Language Teaching postgraduate degrees	33
Undergraduate and all other postgraduate degrees	34

Your path to university:

For students with a conditional offer

A Pre-Sessional English course will focus on developing your reading, writing, listening and speaking skills for academic purposes, helping you prepare for degree-level study. You will have the chance to develop English language and study skills related to your chosen degree area.

Choose from 5 subject areas to suit your degree:

- › Arts and Humanities
- › Language Teaching (Postgraduate)
- › Management (Postgraduate)*
- › Sciences, Engineering and Maths
- › Social Sciences

Your course will cover a number of key goals:

- › Focus on English for academic purposes in a UK university context
- › Understand the expectations of studying in the UK
- › Listen to lectures effectively while taking useful notes
- › Read academic texts more efficiently and with greater understanding
- › Speak more fluently in an academic context, and respond to others appropriately
- › Write more accurately and effectively in an appropriate academic style
- › Meet the language entry requirement of your future degree programme

* Students wishing to start an undergraduate degree in Management can take the Social Sciences subject area.

For students with a conditional offer (Management)

For entry to degrees requiring IELTS 6.5 overall with no less than 6.5 in writing:
