How to book

Follow the simple steps below to book your accommodation.
Use the answers on the following page for more help.

Step 1
Use the Accommodation Dates and Prices page in this guide to choose the option that matches your course dates.

Step 2
When applying to study on a course, you can indicate your preferred room type on the application form. We will then record your accommodation preferences and send you further information with your tuition offer letter.

OR
If you have already completed the course application form, you can complete the online Accommodation Form to indicate your accommodation preferences, based on the information given in this guide.

Step 3
Once you have accepted your offer, we will be able to confirm your accommodation option. We will reserve a room for you and send you an Accommodation Agreement. You will then need to complete the following steps in order to secure your booking:

1. Fill in your guarantor details on the Accommodation Agreement
2. Both you (the tenant) and your guarantor will need to read and sign the Accommodation Agreement, and then return it by the accommodation confirmation date, which can be found in the Agreement. A third person must also witness the signatures, and provide their own details on the Agreement.
3. If you have not done so already, you will also need to pay a £1,000 holding fee to secure the room. This will be credited towards your overall accommodation fees.

Step 4
When you are ready to come to the UK and have booked a flight, you will need to confirm your arrival details by completing the online Pre-Arrival Form. The College will be able to book and confirm transfers for you, and more details are provided in the Pre-Arrival Guide. Please submit your arrival details at least 2 weeks before you fly to ensure the College and your accommodation are prepared for your arrival.

Accommodation guarantee
We can guarantee accommodation to all students who submit their Accommodation Form before the dates on the right, and have accepted their offer to study.

* While every effort will be made to allocate your first choice, we cannot guarantee this, and you may be offered another accommodation type or location. If you submit your form after the date listed, we cannot guarantee you accommodation, but will make every effort to find suitable housing for your studies at the International College.
Questions and answers

What is a ‘guarantor’?
A guarantor is someone who will be legally responsible for any accommodation fees you are unable to or fail to pay.

May I change the length of my accommodation?
You may not change your contract after you have booked and signed your Accommodation Agreement.

What is the Accommodation Agreement?
The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your Accommodation Agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

What is the Holding Fee?
The holding fee indicates to us that you are interested in taking our accommodation. It is £1,000 and can be paid at any time in the application process. Once you receive your Accommodation Agreement, the £1,000 is then divided into £250 for the security deposit and £750 towards the next payment of your accommodation fees.

What is evidence of payment?
Evidence of payment can be a copy of the payment receipt, bank statement, banker’s draft or via Flywire.

What happens if I miss the accommodation confirmation deadline?
You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book.

If your Accommodation Agreement is cancelled, and you tell us that you would still like to book college accommodation, you will be offered the next available room. If you decide not to take this room, refund of any fees paid will only be granted in line with Kaplan International Pathways terms and conditions, and may be subject to an administration fee being deducted.

When can I move into my room?
You will be able to move into your room from the start date of your contract, but only if you have already sent your signed Accommodation Agreement and first payment.

Can I get a refund if I leave the International College?
If you leave the International College for any reason after starting your course, your accommodation fees will not be refunded.
