What is a pathway course?
If you’ve completed high school or university, but don’t qualify for entry to a degree, you can take a pathway course. You will improve your subject knowledge, and academic and English language skills, so that you are ready for your degree.

You’ll study your pathway course at Bournemouth University International College on BU’s Lansdowne Campus. You’re guaranteed entry to a BU degree if you pass your pathway course at the required level with good attendance.

Pre-Master’s
If you have had at least 3 years of higher education or equivalent, a Pre-Master’s is your best option. This can raise your skills to the required level for entry to a BU postgraduate degree.

Pre-Sessional English
Pre-Sessional English is ideal if you qualify academically for entry to an undergraduate or postgraduate degree at BU, and just need to improve your level of English language. This course can bring your IELTS score up to the level needed to start your degree.
