

## York — September 2021

The tables below show contract dates, total prices and payment structures for accommodation options starting in September 2021. You can pay any amount in your first payment, from the minimum £1,000 to the total accommodation price.

### ⊕ Flexible arrival and support

We have introduced additional flexibility for you to arrive up to 2 weeks early (subject to availability) at no extra cost to give you time to self-isolate if required. For example, if your accommodation contract starts on 25 September 2021, you can arrive from 11 September. If you're travelling from a country on the UK government's 'red list' and need to isolate in a quarantine hotel, you'll also get some financial support to help cover the cost of the stay, along with comprehensive wellbeing support while you're in quarantine.

We have also introduced more flexibility for students who wish to start their studies at home and join us in person later. For example, if your programme starts on 25 September, you can choose to start your accommodation contract on 23 October (subject to availability); your contract will then end on the 11 June 2022 and prices will be reduced accordingly. This will be confirmed when you receive your contract. Learn more about arrival support on [this webpage](#), and visit our [accommodation FAQs](#) webpage for more information.

The security deposit will be returned to you when you move out of your room. Please note that your deposit will not be returned in full if the room is damaged or left in bad condition, or if there are any accommodation penalty charges, or outstanding payments on your account.

**Second payment:** This is paid when you arrive.

**Third payment:** This is paid before the start of the second term.
