What you need to do now

**Step 1**
Use your Confirmation of Acceptance for Studies (CAS) number to apply for your visa online, and take your documents to a visa application centre. Your Kaplan representative (or Kaplan’s Admissions, Visa and Applicant Services team, if you applied directly without an agent) can give you more information on how to apply for a visa.

**Step 2**
If you’ve received your CAS and you know you’ll be travelling to the UK, use the accommodation guide and information on our website to choose the option you want. If your course starts before August 2021, then complete the online accommodation form. However, if your course will begin from September 2021, you can check the available accommodation options on our UK accommodation live availability tool, then book your accommodation online through our accommodation portal.

**Step 3**
If your course starts before August 2021, you will receive an Accommodation Agreement pack containing the documents you need to complete and return to: pathways.accommodation@kaplan.com. However, if your course will begin from September 2021, you’ll receive your accommodation portal login details via email when you have an offer to study. If you have not received anything, contact us and we’ll resolve the issue. In the portal you will be able select your room, sign your tenancy agreement, pay the accommodation deposit and complete your accommodation booking.

**Step 4**
When you receive your visa, send a copy to pre-enrolment@kaplan.com, then book your flights. Please aim to arrive in time for one of the scheduled Welcome Weeks, as this is when you’ll receive important information about your course and life in the UK.

**Step 5**
Before you leave your home country, you’ll need to complete the online pre-arrival form. Check the transport options in this guide, and tell us when you are arriving and how you will travel from the airport to your accommodation.

**Step 6**
Prepare everything you need to bring to the UK using our checklist of what to pack (see pages 4 and 5).

**Autumn 2021 accommodation and arrival support**

For pathway courses starting in September 2021, we’re offering flexible arrival dates for accommodation contracts. You can choose an accommodation contract starting on 11 September, or on 23 October (subject to availability) to allow you to start your studies at home before transitioning to the UK.

You can also arrive up to 2 weeks early (subject to availability) at no extra cost. This will give you time to self-isolate if required. If you’re travelling from a country on the UK government’s ‘red list’ and need to isolate in a quarantine hotel, you’ll also get some financial support to help cover the cost of the stay, along with comprehensive wellbeing support while you’re in quarantine. Learn more about arrival support on this webpage, and visit our accommodation FAQs webpage for more information.
What documents to bring with you

Please check this list before you leave your home country, keep all the documents and information in your hand luggage and bring them with you on your first day at the College. Your enrolment is conditional on you providing all the correct documents.

- The original academic qualification listed on your CAS Statement or Study Plan Confirmation, with a certified translation if not in English.
- The UKVI Secure English Language Test (SELT) certificate listed on your CAS Statement or Study Plan Confirmation (unless you are exempt).
- A valid passport and entry clearance visa.
- The visa approval letter which tells you where to collect your biometric residence permit (BRP).
- Proof of your address in the UK (such as accommodation confirmation e-mail or signed tenancy agreement, utility bill or a letter from a family member).
- If you are a sponsored student, you must bring your original sponsorship letter. Please also make at least 1 photocopy of this document.
- Medical Screening Certificate (if needed)*

If you are under 18, you must also bring the following documents:

- A copy of the Kaplan underage consent form completed by your parents (you will find a link to the form on your offer letter). Please also make at least 1 photocopy of this document for your records.
- The name and contact number of the person you will meet at the airport. (Students under the age of 18 must either use the College transfer service or be collected by a responsible adult)
- The details of your transfer arrangements from the airport such as a taxi booking.

* Depending on the country you are from, you may need to be medically screened for tuberculosis (TB). Your Kaplan representative will ask you to do this before you apply for your visa. Students who have a Medical Screening Certificate will need to bring this document with them to the UK and show it with their visa at the airport on arrival. For more information and to check if you need to be medically screened, please visit the UKVI website.

VISA

Important visa information

Students applying for a visa to come to the UK for more than 6 months will first be given a 30-day or 90-day entry clearance visa in their passport. You must arrive in the UK during the validity period of this visa, then collect a biometric residence permit (BRP) after you arrive. This permit will be valid for the full length of your course at Glasgow International College.

Biometric Residence Permit (BRP)

You will also receive a letter telling you when and where to collect your BRP — you might be required to show this letter to immigration officials at the airport. It is important that you enter the correct Alternative Collection Location (ACL) code, 2HE827, on your visa application, so that you can collect your BRP from the College. You will be advised on how to collect your BRP when you arrive.

You should collect your BRP as soon as possible, as you will need it to enrol at the College. If you experience any difficulties collecting your BRP, please speak to a member of the College Services team immediately.

Important UK travel information

Before you travel to the UK, you should visit www.gov.uk/uk-border-control to check the latest guidance from the government regarding the rules for arrivals into the UK. You must also complete this online form: www.gov.uk/provide-journey-contact-details-before-travel-uk to provide your accommodation and contact details. You can complete this form up to 48 hours before you travel and you must have the completed form with you when you arrive at border control (either printed or on your electronic device).
What you need to pack

☐ All the documents needed for enrolment and entry to the UK (see page 4)
Keep these in your hand luggage, along with the emergency contact number for the College (detailed in this guide), so you can easily access them when you arrive in the UK.

☐ Suitable clothing
The UK is famous for its changeable weather. In summer, the temperature is around 20°C, and in winter between -3°C and 10°C. You can buy many of the clothes you need in the UK, but you should still bring some warm clothes and a waterproof jacket. You do not need any formal clothes (such as a suit), as students dress casually for classes.

☐ Mobile phone
We can provide you with a local SIM card shortly after you arrive. You’ll need a UK mobile number for placing food orders or online shopping.

☐ Laptop with camera
It’s essential that you have your own laptop for your in-person or digital studies.

☐ Electrical adaptor
The UK uses a 3-pin plug, so you’ll need an adaptor for your laptop and phone. The voltage in the UK is 240v. If you don’t already have an adaptor, you can easily buy one in the UK.

☐ Money and Card
It can sometimes take several weeks to open a bank account in the UK, so we suggest you bring at least £1,000 with you to the country. Separate your money and bring £200 in cash (£10 or £20 notes), and the rest on your debit or prepaid card. Please note that you might be charged a fee in the UK when withdrawing money from an international account.

You may also choose to undertake part-time work during your studies at the College. You’ll find more details on this webpage. However, it’s essential to make sure you still have enough money to cover your living costs without any extra income.

☐ Prescription medication (if needed)
You should bring at least a 3-month supply of any prescription medication with you. You should also check if this medication is available in the UK.

Remember:
• Check the luggage weight limit for your flight(s) to the UK. This is usually around 20kg, but will depend on your airline(s).
• If you are staying at one of our residences, you do not need to bring any of the items included in the student starter pack (see page 7).
• You can find the latest UK government health and safety guidelines at: www.gov.uk/coronavirus

Complete the pre-arrival form before you travel
As soon as you have booked your flights and know your arrival details, it is time to fill in our online pre-arrival form. It is important that you let us know as soon as possible when your flight arrives and how you plan to travel to your accommodation. Use the pre-arrival form to choose your preferred date for the free transfer service or to see the airports and prices for the private transfer service.

Please note: even if you are planning to travel to your accommodation independently, you must still complete the online pre-arrival form to let us know what your arrangements are.

- Meal at a restaurant £10–£30
- Tea / coffee £1.50+
- Cinema £11.75

When you arrive at the airport

Border control
Make sure that you have all of your travel documents ready when you arrive at the airport. Make sure you have completed the online contact details form at www.gov.uk/provide-journey-contact-details-before-travel-uk and have the completed form ready to show at the border (either printed or on your electronic device). You can find more information about UK border control procedures, testing and quarantine requirements at www.gov.uk/uk-border-control.

Travelling to Glasgow
We know how important it is to feel safe and welcome when you arrive in a new place. That’s why we’ll be here to support you from the moment you land at the airport. We’ll arrange a transfer service to take you to your accommodation, so there will be a friendly face waiting to take you to your new home.

Free transfer service
We will organise a free transfer service from Glasgow airport for students on:
• 11 and 12 September 2021
• 23 and 24 October 2021
• 8 and 9 January 2022

Before you travel, we will confirm all the details regarding your arrival and transfer from the airport. Once you arrive in the UK, we’ll make sure that you get to your Kaplan-booked accommodation safely.

If you use this service and have booked alternative accommodation, you will need to arrange travel from the Kaplan accommodation to where you are staying. Our friendly staff can help you book a taxi when you arrive.

Private transfer service
If you are unable to use the free transfer service, or would prefer a private taxi, we can organise one to collect you from any airport for a fee. If you don’t arrive on the dates of the free transfer, we strongly recommend you use this service, as it will take you straight to your accommodation. All Kaplan organised transport will comply with current health and safety guidelines.

Public transport*
Although we recommend our transfer service as the safest option, the College is accessible by many types of transport, and you can save money by booking in advance.
