**We are here for you**
Keeping all our students safe is our top priority. We will continue to follow UK government health and safety guidelines at all times, so you can rest assured that our residences and accommodation partners are taking the necessary precautions to protect your wellbeing.

Our dedicated accommodation team is here to discuss your options with you, or if you need help or support at any time.

**Accommodation guarantee deadline**
If your course starts in Autumn 2021 or Spring 2022 you’re guaranteed a room with us if you accept your offer to study by the guarantee date. See all the guarantee dates here.

Don’t worry, if you miss the guarantee deadline we’ll still do all we can to find you a fantastic place to stay during your course.

**Your accommodation options**
In this guide you’ll find detailed information about your accommodation options in the UK. Once you accept your offer to study, you can log in to our accommodation portal and reserve your room.

We operate on a first-come, first-served basis and all options are subject to availability. When you log in to our portal, you will be able to see all currently available options, and can pick your preferred room type.

**Autumn 2021 flexible arrival and support**
For pathway courses starting in September 2021, we’re offering flexible arrival dates for accommodation contracts. You can choose an accommodation contract starting on 11 September, or on 23 October (subject to availability) to allow you to start your studies at home before transitioning to the UK.

You can also arrive up to 2 weeks early (subject to availability) at no extra cost. This will give you time to self-isolate if required. If you’re travelling from a country on the UK government’s ‘red list’ and need to isolate in a quarantine hotel, you’ll also get some financial support to help cover the cost of the stay, along with comprehensive wellbeing support while you’re in quarantine. Learn more about arrival support on this webpage, and visit our accommodation FAQs webpage for more information.

**Coronavirus information**
We are continuing to do everything we can to keep our students as safe as possible during the pandemic. You can check our website for the most up-to-date information on accommodation and coronavirus measures.
Experience Essex

**History**
Essex has a rich and fascinating history for you to explore. In fact, Colchester is the oldest recorded town in Britain. Even now, it still retains the feel of a medieval market town, and the rest of Essex also has plenty of sites of historical interest to see: you can visit impressive castles, fascinating museums and even a hidden nuclear bunker!

**Shopping**
Essex is a great place to go shopping, with traditional food and clothes markets and bustling high streets selling everything you could need! There are major retail parks to explore, and Essex’s towns are great places to find everything from designer brands to arty boutiques. Plus, with London so close, you will have one of the world’s best shopping destinations on your doorstep.

**Sport**
Sports such as football, rugby, tennis and cricket are very popular in the UK. You’ll have lots of opportunities to get involved, and the University of Essex itself has a great range of sports facilities that you can use. For exercise that’s a little more relaxed, Colchester is home to many lovely routes for walking and cycling, including the Wivenhoe Trail.

**Food**
If you start to miss food from your home country while you’re living in the UK, don’t worry! Essex is a multicultural county, and you will find great variety, from Indian curries to Chinese dim sum and more. Of course, you can also try traditional British food at Essex’s many restaurants and pubs, and its coastline is the perfect place to eat fresh fish and chips.

**Events**
Throughout the year, there is a wide range of fairs, festivals and events that you can discover in Essex. From seeing the world’s biggest music artists at V Festival, to the Brightlingsea Food and Drink Festival in Colchester, there’s so much going on!

**Outside Essex**
While Essex has a lot to offer, you will also have a great chance to explore the rest of the UK. London, with its many museums, galleries and events, is just a short train ride away, as are Oxford and Cambridge. You can also see some of the UK’s areas of outstanding natural beauty, or even take a trip to continental Europe from Stansted or Southend Airport.

Useful information

You can find some helpful information below to guide you through your accommodation application.

Accommodation Agreement
The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your Accommodation Agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

Accommodation confirmation
You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book. If your Accommodation Agreement is cancelled, and you tell us that you would still like to book Kaplan-arranged accommodation, you will be offered the next available room.

Accommodation portal login
You'll receive your login details via email once you have accepted your study offer.

Accommodation length change
You may not change your contract length after you have booked and signed your Accommodation Agreement.

First payment
The first payment is to secure your accommodation along with the signed Accommodation Agreement. The £1,000 first payment is then divided into £250 for the security deposit and £750 towards your accommodation fees. Your security deposit will be fully returned when you move out of your accommodation. It will not be refunded if the room is damaged or left in bad condition, or if there are any accommodation penalty charges outstanding.

Guarantors
A guarantor is someone who will be legally responsible for any accommodation fees you are unable to or fail to pay.

Moving into your room
You will be able to move into your room from the start date of your contract, but only if you have sent us your signed Accommodation Agreement and first payment.

Refunds
When your Accommodation Agreement is cancelled and you decide not to take another offered room, refund of any fees paid will only be granted in line with Kaplan International Pathways’ Terms and Conditions, and may be subject to an administration fee being deducted. If you leave the College for any reason after you arrive, accommodation fees will not be refunded.

Under 18s
The College will accommodate students under 18 years of age in a single-sex flat with other students under 18 years old. Students who are under the age of 18 on arrival in the UK may be asked to pay all their accommodation fees before they arrive, and are advised to stay in either Kaplan or university-arranged accommodation.

Visa
If your visa application is unsuccessful, please send a copy of your visa refusal documents (or other evidence) to your Admissions Adviser for review. A decision will then be made regarding eligibility for refund in line with the company’s terms and conditions.
