Your path to university
From September 2020, we will be running in-person teaching with a mixture of digital and face-to-face learning (called blended learning). This means you can study safely and effectively, and enjoy UK life. If you’re not able or ready to travel, you can begin your course online. kaplanpathways.com/awc/uk/

### Footnotes:
1. These degrees will last for 4 years instead of 3
2. Available with a placement year
University of Brighton International College
Foundation Certificate
for Art, Design and Media

Common modules for 2-term courses:
these are taken by all students
- English for Academic Purposes
- Creative Practice and Portfolio
You will also take 2 of the following modules that fit your degree and career goals†:
- Entrepreneurship
- Intermediate Digital Applications
- People Society and Culture
- Visual Culture

Personal development activities: during your course, you’ll also have activities to build practical, digital and employability skills.
Learn more about modules: you’ll find module summaries later in this booklet.

Minimum English level: UKVI IELTS score*
Course Course start Course end Extra support
length tuition

- Your Foundation Certificate options for degree entry in September 2021

5.5 overall with no less than 4.5 in any skill
2 terms £15,090 January 2021 August 2021
0.5 terms of Extended English and Skills modules

5.0 overall with no less than 4.0 in any skill
2.5 terms £16,800 October 2020 August 2021
1 term of combined Enhancement and Extended English and Skills modules

4.5 overall with no less than 4.0 in any skill
3 terms £16,800 September 2020 August 2021
1 term of Extended English and Skills modules

- Your Foundation Certificate options for degree entry in September 2022

4.0 overall with no less than 4.0 in any skill
3.5 terms £19,600 July 2021 August 2022
1.5 terms of Extended English and Skills modules

4 terms £21,980 June 2021 August 2022
2 terms of Extended English and Skills modules

* UKVI IELTS alternatives: we can accept alternative tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/

Please note: it is desirable for students applying for this course to submit an Art and Design portfolio.

Academic entry requirements: for all course options above, you need to have completed high school at the required level.
For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/brighton/ug-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we’ll check your English and academic level again to make sure you’re on the most suitable study plan, with modules that best fit your skills and goals. This flexibility means that you can follow your path to university, your way.

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

Extra support: for courses of over 2 terms, you will also take Enhancement modules or Extended English and Skills modules (depending on your IELTS score) before the modules to the left.

Students with UKVI IELTS 5.0 and no portfolio: you can study a 3-term course with Enhancement modules to develop your artistic skills and maximise your university preparation
- Art, Design and Media
- Critical Reading, Writing and Reasoning for Higher Education

Plus up to 2 of these 4 modules:
- Contemporary Art in Context
- Digital Applications
- Preparatory Statistics
- UK Society and Culture

Students with UKVI IELTS 5.0 or less and a portfolio: you will study Extended English and Skills modules to improve your English language level and academic skills.

Students with UKVI IELTS 5.0 will typically take:
- Art, Design and Media
- English for Academic Study 3
- Reading and Writing 3
- Speaking and Listening 3

Students with UKVI IELTS 4.5 will typically take:
- English for Academic Study 2
- Reading and Writing 2
- Speaking and Listening 2
- Study Skills Preparation

Students with UKVI IELTS 4.0 will typically take:
- English for Academic Study 1 + English for Academic Study 2
- Reading and Writing 1 + Reading and Writing 2
- Speaking and Listening 1 + Speaking and Listening 2
- Study Skills Preparation

07
Common modules for 2-term courses: these are taken by all students
- English for Academic Purposes
- Extended Project

You will also take 2 or 3 of the following modules that fit your degree and career goals†:
- Contemporary Global Issues
- Entrepreneurship
- Intermediate Mathematics
- Logic and Critical Thinking
- Mathematics
- People Society and Culture
- Statistics

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.
Learn more about modules: you'll find module summaries later in this booklet.

Extra support: for courses of over 2 terms, you will also take Enhancement modules or Extended English and Skills modules (depending on your IELTS score) before the modules to the left.

Students with UKVI IELTS 5.5: you can study a 2.5 or 3-term course with Enhancement modules to maximise your university preparation
- Critical Reading, Writing and Reasoning for Higher Education
- Independent and Collaborative Study

Plus up to 2 of these 4 modules:
- Digital Applications
- Preparatory Mathematics
- Preparatory Statistics
- UK Society and Culture

Students with less than UKVI IELTS 5.5: you will study Extended English and Skills modules to improve your English language level and academic skills.

Students with UKVI IELTS 5.0 will typically take:
- English for Academic Study 3
- Independent and Collaborative Study
- Reading and Writing 3
- Speaking and Listening 3

Students with UKVI IELTS 4.5 will typically take:
- English for Academic Study 2
- Reading and Writing 2
- Speaking and Listening 2
- Study Skills Preparation

Students with UKVI IELTS 4.0 will typically take:
- English for Academic Study 1 + English for Academic Study 2
- Reading and Writing 1 + Reading and Writing 2
- Speaking and Listening 1 + Speaking and Listening 2
- Study Skills Preparation

Accounting and Finance for Managers
Apply techniques for financial reporting, financial analysis and management accounting in a business context.

Applied Projects
Apply key academic skills to your subject learning in other areas of your programme. Choose topics in line with your degree and career goals, and your own interests.

Architectural Humanities
Explore the history and theory of architecture, including in socio-political, environmental and cultural contexts.

Art, Design and Media
Explore a range of materials, workshop techniques, processes and practical skills, and begin to develop your research, interpretation and critical evaluation skills.

Biology
Learn about biological systems and organisms, as well as key lab processes.

Chemistry
Gain an understanding of chemical reactions, fundamental particles and the periodic table.

Contemporary Art in Context
Review the key movements and practitioners in the 20th century within your field, considering trends within historical, political and cultural contexts.

Contemporary Global Issues
Explore the big issues facing humanity in the 21st century, and critically evaluate their causes and effects.

Creative Practice and Portfolio
Research the work of selected practitioners in your field, responding to and evaluating their work, in your own illustrative portfolio.

Critical Reading, Writing and Reasoning for Higher Education
Enhance your ability to read and understand complex ideas in English, and to compose convincing written arguments.

Design, Technology and Professional Practice
Explore a range of architectural concerns, develop design strategies, and produce a design for a small- or medium-sized building.

Digital Applications
Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

Economics
Gain an understanding of macro and micro economics, and explore current trends and issues in the field.

English for Academic Purposes
Develop your English to the level you need for university study, and to really get involved in academic discussions.

English for Academic Study 1
Gain a better understanding of how English is used in academia.

English for Academic Study 2
Improve your English grammar and vocabulary in order to communicate in an academic environment.

English for Academic Study 3
Expand your knowledge of English grammar and vocabulary to the level required for degree study.

Entrepreneurship
Familiarise yourself with concepts of creativity, entrepreneurship and innovation, and how to apply them in business.

Entrepreneurship and Business Development
Develop practical business skills through team-based planning and by exploring the ideas of enterprise and entrepreneurship.

Experiencing Architecture
Gain an introduction to architecture, and the range of skills required in architectural design.

Extended Project
Plan, carry out and report a project, choosing a topic that matches your degree and career goals, and personal interests.

Food and Drink Operations
Learn about preparing items, the principles of food production, and gain practical experience in the culinary arts studio.

Independent and Collaborative Study
Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

Information Technology
Discover the key concepts of computer science, including data representation and programming languages.

Intermediate Digital Applications
Develop skills in problem-solving and creative practice using a range of software packages relevant to your field of study.

Intermediate Mathematics
Expand your knowledge of mathematical concepts including algebra, geometry, problem-solving, trigonometry and vectors.

Logic and Critical Thinking
Explore concepts, history and skills relating to logic and critical thinking, and how they apply in real-world contexts.

Management Accounting and Financial Analysis
Explore management and financial accounting issues, as well as process costing, pricing and profitability analysis.

Marketing in the Operational Context
Gain an understanding of international business processes, and the effects of marketing activities on organisations.

Mathematics
Develop your mathematical skill set in areas such as algebra, decision maths, probabilities and statistics.

Organisational Behaviour
Explore the fundamentals of organisational behaviour, and trends in organisational environments, structures and designs.

People, Culture and Society
Learn about the history, theories and issues that relate to human culture and society around the world.

Physics
Gain an understanding of areas such as astrophysics, electromagnetism, mechanics and thermodynamics.

Preparatory Mathematics
Develop your numeracy skills, including algebra, geometry and graphs.

Preparatory Science
Gain an introduction to core scientific knowledge and the subject-specific language required to study the sciences.

*UKVI IELTS alternatives:* we can accept alternative tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/

**Please note:** for all course options apart from the 3-term course, you must have a relevant undergraduate degree to apply. It is also desirable to have an Art and Design portfolio. Students on the 3-term course do not need a relevant degree, and will study extra modules to develop English language and artistic skills.

**Academic entry requirements:** for all course options above, you need to have completed at least 3 years of higher education. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/brighton/pg-degrees

**Your course length:** this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we’ll check your English and academic level again to make sure you’re on the most suitable study plan, with modules that best fit your skills and goals. This flexibility means that you can follow your path to university, your way.

**Extra support:** for courses of over 2 terms, you will also take Extended English and Skills modules before the modules to the left.

**Students with UKVI IELTS 5.0 will take these additional modules as part of a 2.5 or 3-term course:**
- **Art, Design and Media**
- **Contemporary Art in Context OR Digital Applications**
- **English for Academic Study 3**
- **Reading and Writing 3**
- **Speaking and Listening 3**

**Students with UKVI IELTS 4.5 will take these additional modules as part of a 3.5 or 4-term course:**
- **Art, Design and Media**
- **Contemporary Art in Context OR Digital Applications**
- **English for Academic Study 2 + English for Academic Study 3**
- **Reading and Writing 2 + Reading and Writing 3**
- **Speaking and Listening 2 + Speaking and Listening 3**
- **Study Skills Preparation**
Common modules for 2-term courses: these are taken by all students
- English for Academic Purposes
- Research Project

You will also take 2 of the following modules to prepare for postgraduate study†:
- Advanced Social Science
- Advanced Statistics
- Project Management
- Strategic Management

Personal development activities: during your course, you’ll also have activities to build practical, digital and employability skills.

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.
Advanced Art, Design and Media
Evaluate the styles, movements and key figures in the recent history of art, design and media, and analyse the key features and techniques they used.

Advanced Social Science
Learn about the key theories in social sciences, and their relation to methodologies in the field.

Advanced Statistics
Critique research data and apply the standard statistical tools for the analysis of research quality.

Art, Design and Media
Explore a range of materials, techniques, and processes, and develop your research, interpretation and critical evaluation skills.

Art, Design and Media Portfolio
Create the practical components which complement the theoretical and reflective work undertaken in your Research Project for Art, Design and Media module.

English for Academic Study 2
Improve your English grammar and vocabulary in order to communicate in an academic environment.

English for Academic Study 3
Expand your knowledge of English grammar and vocabulary to the level required for degree study.

Independent and Collaborative Study
Work independently and in teams on an academic task, and practice applying your subject knowledge and study skills.

Media Theories and Practice
Critique aspects of media theory and practice and use practical production techniques to design and create your own media artefacts.

Project Management
Gain key skills in project management, and apply your knowledge to a project.

Reading and Writing 2
Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

Reading and Writing 3
Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

Research Project
Plan, execute and report a comprehensive research project; you’ll choose a research topic based on your degree and career goals, and personal interests.

Speaking and Listening 2
Practise listening and speaking so that you are better prepared for academic debate and discussion.

Speaking and Listening 3
Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

Strategic Management
Explore key concepts of strategic management, and evaluate their impact on businesses and their operations.

Personal development activities (all courses)
Culture and activities
We’ll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

Employability and digital skills
Outside of your academic learning, you’ll also be taught skills that will be useful at university and later in life. You’ll receive help in making the most of your creativity, improving your communication and developing your digital skills. We’ll also help you build a CV, portfolio and online profile to empower you after you graduate.

Social networking
Forming a strong social network can be very beneficial, even if it’s just to discuss and debate ideas. Not only will you get to know your classmates, you’ll also have opportunities to join professional bodies, and network with students and industry professionals; something that can be really helpful when you go on to start your career.
This publication has been drafted in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publishing, but changes (for example to course content) are likely to occur given the interval between publishing and commencement of the course. It is therefore very important to check the website or contact us for any updates before you apply. Once you have applied, any change which impacts the terms and conditions of your offer or a significant part of your programme will be communicated to you.

University of Brighton International College is operated by Kaplan Brighton Limited (company number: 07331979), with registered address: 2nd Floor, Warwick Building, Kensington Village, Avonmore Road, London W14 8HQ.
