What you need to do now

**Step 1**
Use your Confirmation of Acceptance for Studies (CAS) number to apply for your visa online, and take your documents to a visa application centre. Your Kaplan representative (or Kaplan’s Admissions, Visa and Applicant Services team if you applied directly) can give you more information on how to apply for a visa.

**Step 2**
If you have not already booked your accommodation, use the accommodation guide and information on our website to choose the option you want. Then complete the online accommodation form.

**Step 3**
You will receive an Accommodation Agreement pack containing the documents you need to complete and return to: pathways.accommodation@kaplan.com

**Step 4**
When you receive your visa, send a copy to pre-enrolment@kaplan.com, then book your flights. You need to arrive in Liverpool in time for Welcome Week. This is when you will receive important information about your course and life in the UK.

**Step 5**
Check the arrival options in this guide and complete the online pre-arrival form to tell us when you are arriving, and how you will travel from the airport to your accommodation.

**Step 6**
Prepare everything you need to bring to the UK using our checklist of what to pack (see pages 4 and 5).
Your document list

What documents to bring with you
Please check this list before you leave your home country, keep all the documents and information in your hand luggage and bring them with you on your first day at the College. Your enrolment is conditional on you providing all the correct documents.

☐ The original academic qualification listed on your offer letter, with a certified translation if not in English.

☐ The UKVI IELTS certificate listed on your offer letter (unless you are exempt).

☐ A valid passport and entry clearance visa.

☐ The visa approval letter which tells you where to collect your biometric residence permit (BRP).

☐ Proof of your address in the UK (such as accommodation confirmation e-mail or signed tenancy agreement, utility bill or a letter from family member).

☐ If you are a sponsored student, you must bring your original sponsorship letter. Please also make at least 1 photocopy of this document.

☐ Medical Screening Certificate (if needed)*

Under 18s
☐ You must bring a copy of the Kaplan underage consent form completed by your parents. Please also make at least 1 photocopy of this document.

☐ The details of your transfer arrangements from the airport such as a taxi booking.

☐ The name and contact number for the person you will meet at the airport.

☐ The emergency contact number for your college (details on page 10).

* Depending on the country you are from, you may need to be medically screened for tuberculosis (TB). Your Kaplan representative will ask you to do this before you apply for your visa. Students who have a Medical Screening Certificate will need to bring this document with them to the UK and show it with their visa at the airport on arrival. For more information and to check if you need to be medically screened, please visit the UKVI website.

Important visa information
Students applying for a visa to come to the UK for more than 6 months will first be given a 30-day entry clearance visa in their passport. You must arrive in the UK during this 30-day period, then collect a biometric residence permit (BRP) after you arrive. This permit will be valid for the full length of your course at the University of Liverpool International College.

Biometric Residence Permit (BRP)
You will also receive a letter telling you when and where to collect your BRP – you might be required to show this letter to immigration officials at the airport. If you have entered the correct Alternative Collection Location (ACL) code (2HE822) on your visa application, then you can collect your BRP from the College. You should collect your BRP as soon as possible because you will need it to enrol at the College.

The College will advise you on how to collect your BRP during Welcome Week. If you experience any difficulties, please speak to a member of the College Services team immediately.
What you need to pack

- **All the documents needed for enrolment and entry to the UK**
  (see page 4)
  Keep these in your hand luggage, along with the emergency contact number for the College (detailed in this guide), so you can easily access them when you arrive in the UK.

- **Suitable clothing**
  The UK is famous for its changeable weather. In summer, the temperature is around 20°C, and in winter between -3°C and 10°C. You can buy many of the clothes you need in the UK, but you should still bring some warm clothes and a waterproof jacket. You do not need any formal clothes (such as a suit), as students dress casually for classes.

- **Mobile phone**
  We can provide you with a local SIM card shortly after you arrive.

- **Laptop**
  It’s essential that you have your own laptop for your studies.

- **Money**
  It can sometimes take several weeks to open a bank account in the UK, so we suggest you bring at least £1,000 with you to the country. Separate your money and bring £200 in cash (£10 or £20 notes), and the rest on your debit card. Please note that you might be charged a fee in the UK when withdrawing money from an international account.

  Unfortunately, as the International College is a private education provider, you are not permitted to work while you are studying. This is in accordance with UK law, and Tier 4 visa rules. You therefore need to make sure you have enough money to cover your living costs while you are studying at the College.

- **Prescription medication (if needed)**
  You should bring at least a 2-month supply of any prescription medication with you. You should also check if this medication is available in the UK.

When you arrive at your accommodation

Your new home
When you arrive at the residence, a friendly member of staff will meet you and give you your room key.

In your room, you will find:
• a welcome letter
• a student starter pack (see below)

The accommodation has everything you need to settle in quickly, and you will be responsible for your own cooking once you arrive. The student starter pack includes basic kitchen equipment to make simple meals, and you can easily buy anything extra you may need.

Please note: actual contents of the student starter pack may vary.
When you arrive at the College

Welcome Week
To help you settle in, the College arranges Welcome Week, which lasts up to 5 days. It is very important that you arrive in time for this. You can enjoy a wide range of social activities, as well as tours of the area, and receive useful information about life in the UK.

You’ll learn about:
• course details and academic support
• UK laws and culture
• joining societies and clubs at the Students’ Union
• nearby places of religious worship
• public transport
• local shops and restaurants
• opening a bank account
• registering with a doctor*
• registering with the police (if required)

* Students from European Union countries will require a European Health Insurance Card (EHIC). For more details, visit [gov.uk](https://www.gov.uk).

Remember your documents
Don’t forget to bring your documents (see page 4) on your first day at the College. If you do not bring your passport and visa with you, then you won’t be able to enrol!
Prepare for your pathway course

With Kaplan, you can gain entry to a University of Liverpool degree through a pathway course at the University of Liverpool International College. You'll study on campus, and gain the skills and confidence you need to succeed.

**What you will study**
You will take modules in 3 main areas:
- subjects related to your degree
- projects linked to your area of study
- English language and academic skills

**Preparation work**
You will be developing a style of learning which means preparation work before you come to class. Please read about your pathway course and modules using the links from this page and prepare some questions to ask in the academic welcome sessions during your first week.

When you arrive at the College we will provide you with all the essential learning materials you need for your programme, so you don’t need to buy any books before you arrive. During your course, your teachers may recommend supplementary materials that you may wish to purchase individually.
