International Year One with Internship
Gain work experience before starting your degree

› kaplanpathways.com/internship-iyo

The International Year One (IYO) with Internship is just like a standard IYO, but with an integrated online internship, all completed in the UK. It's a fantastic way to add some impressive skills to your CV! If you currently hold an offer to study a 2-term IYO, it's easy to switch to the 3-term IYO with Internship.*

Available in most subject areas, for IYO courses leading to the 2nd year of a degree at one of these top universities:

UNIVERSITY OF BIRMINGHAM  BU Bournemouth University  University of Brighton  University of Essex
NTU Nottingham Trent University  UWE Bristol  UNIVERSITY OF WESTMINSTER

* If you already hold an offer to study an IYO and would like to switch to the IYO with Internship, you'll need to do this prior to requesting your CAS.
Why study the International Year One with Internship?

- Gain professional experience and key employability skills that look great on your CV
- Enjoy a guaranteed internship at one of more than 3,500 host companies in 70 countries
- Choose an internship that suits your interests, with 18 different career fields available
- Receive tailored support to ensure you get the most out of your work placement

The International Year One with Internship is an integrated 3-term programme consisting of the two terms of academic study you would take on a standard IYO, followed by a built-in online internship with Virtual Internships, one of Europe’s top EdTech companies.

You will complete the entire programme in the UK, and finish in time to progress to Year 2 of your chosen degree without any delay.

If you’re interested in studying the IYO with Internship, just get in touch with your education advisor.
