Welcome to Arizona State University

Arizona State University is a new kind of university, dedicated to innovative ideas and academic excellence to help you get where you want to be in life. At ASU, you are joining a community of scholars from around the world.

- Courses are taught by a student-focused faculty that includes Nobel laureates, Pulitzer Prize winners and Fulbright scholars.
- Knowledge delivery goes beyond traditional methods, putting students in the middle of active learning experiences.
- Many students have opportunities to work with professors as team members on significant research projects.

ASU is all about inclusion. We believe in it so much that we put it in our university charter (see an excerpt on page 12).

You’ll thrive in this environment of innovation, excellence and inclusion, which in turn will prepare you to thrive throughout your life.

The wide range of options we offer to international students can be accessed via our global partner, Kaplan International.

admission.asu.edu/kaplan

13,600+ international students (12% of population) $618 million in research expenditures

135 countries represented at ASU 400+ research opportunities
Tempe campus
The largest campus features high-tech research spaces in an energetic and historic environment. Think inspiring programs and opportunities.
Student-to-faculty ratio: 20-to-1
Average class size: 39
Number of students: 51,585
Of which, international students: 8,200

West campus
This campus has a close-knit learning community dedicated to 21st-century workforce preparation. Think small classes and interdisciplinary education.
Student-to-faculty ratio: 12-to-1
Average class size: 25
Number of students: 4,445
Of which, international students: 300

Downtown Phoenix campus
This campus plays an essential role in the health care, journalism, public service and corporate communities. Think professional and fast-paced.
Student-to-faculty ratio: 15-to-1
Average class size: 29
Number of students: 11,584
Of which, international students: 300

Polytechnic campus
This campus is a thriving part of the enterprising East Valley. Think technical and innovative.
Student-to-faculty ratio: 18-to-1
Average class size: 28
Number of students: 5,095
Of which, international students: 600

A university in many places
ASU has 5 distinct locations: 4 campuses in the metro Phoenix area, and a location in western Arizona on the California state line — each has its own size, feel and academic focus, but all are the same ASU. In Phoenix, you’ll have access to top research facilities, first-rate athletics and arts venues, extensive library resources and 1,500+ student organizations.

asu.edu/asucampuses
To find out what you can study on each campus, see page 19.
Explore Phoenix

Introducing your new city
ASU’s diverse campus community fits well within the Phoenix community: both are filled with people from all over the world. The Phoenix metropolitan area has it all — scenery, good weather and lots to do. Its location in the center of Arizona makes for easy day trips to the Grand Canyon, Sedona and mountain ski resorts.

See
Phoenix is home to six professional sports teams, including an up-and-coming professional soccer team.

Do
Play or relax by the water at one of the nearby lakes just outside of town, or try hiking one of the 65+ scenic trails in and around the city.

Taste
Offering outstanding and healthy food choices from around the world — you’re sure to find a taste of home.

Wina K.
Indonesia
Mathematics and statistics

"ASU has been a very welcoming place. The people, culture and environment are very inclusive. It is easy to find help and resources for anything, it is easy to relax and have fun, and most importantly, it is not hard at all to succeed personally, academically and professionally, thanks to the warm, supportive atmosphere at ASU."

Easy access to home
Sky Harbor International Airport in Phoenix is known as “America’s Friendliest Airport.” It’s easy to reach from ASU’s campuses, has more than 1,200 flights arriving and departing every day, and offers service to 23 international destinations.
Housing for first-year undergraduates

Welcome to your new home
At ASU, first-year students are guaranteed on-campus housing, where you'll benefit from:
• Nearby access to classes, professors, libraries and tutoring services.
• Nearby access to the fitness complex and dining halls.
• Furnished rooms with Wi-Fi, cable and nearby laundry facilities.
• Common recreation and study areas, and community kitchens.
• 24-hour security, including secured key card access and front desk services.
• Special programs, events and amenities tailored to your major.

Live with your classmates
You will live in a residential college with others in your academic program. From the start of your college experience, you’ll have built-in study partners and friends.

Housing is allocated on a first-come, first-served basis on the campus of your major. Confirm your housing with ASU as early as possible to secure a room in your preferred residence.

Price per year*
Tempe and Polytechnic campuses: $5,260–$9,770
Downtown Phoenix campus: $9,440–$10,180
West campus: $6,724
ASU@Lake Havasu: $6,050–$7,120

* Rates are for 2019–20. Students who live in ASU residences must also purchase a meal plan, which range in price from $2,970–$5,510 per year. Lake Havasu meal plans cost $2,010–$2,525 per year.

Residential room types
Room choices vary by residence hall and campus, but may include:
• traditional, shared 2- or 3-person bedrooms with community bathrooms
• 4-person, 2-bedroom suites with shared bathrooms
• 2- and 4-person suites with private bedrooms and private or shared bathrooms

You can view floor plans for student housing options on each campus at housing.asu.edu/residential-colleges

Fact: On average, students who live on campus do better academically and are more likely to graduate than students who live off campus.

Housing for other students
University housing for transfer students, graduate students and students admitted to a pathway or English preparation program is limited on each campus and not guaranteed.

ASU-USA Pathways students can apply to live in one of two West campus residence halls: usapathways.asu.edu/life-asu/housing-and-dining

ASU housing finder
This website is a free and effective method for all students to find a place to live off campus. Landlords can list properties at rates that are very competitive.
livingasu.com

If you are in Pathways or English preparation, you can also choose to live in a “homestay” with a local host family. This is a great way to practice English and immerse yourself in American culture.

Rosa S.
China
Computer information systems and accounting

“I lived on campus for four years. I really enjoyed it. First, the convenience — all of your friends are living in the same area as you. And I’ve made friends by living in the dorms. We study together and go to the dining hall together. I still have friends that I came in contact with freshman year.”
Career services
ASU’s Career and Professional Development Services offers comprehensive resources to ensure that you are career-ready, including:

• Access to our career platform, Handshake (asu.joinhandshake.com), which includes more than 40,000 internship and job opportunities.
• International student workshops and presentations.
• Virtual resources, including resume review and interview preparation.
• Career and internship fairs.
• 1:1 career advising appointments.
• Access to the ASU Mentor Network, a platform for mentorship and informational interviewing.

More than 50 companies (including Apple, Ford and KPMG) call ASU a top university for recruiting graduates.

More than 90% of all graduates looking for work are employed or receive at least one job offer within 90 days of graduation.

Top 10 university in the U.S. for hires by Silicon Valley employers — HiringSolved.

ASU is #3 in the world for employer-student connections — according to QS World University Rankings.

Resources and academic success
International Students and Scholars Center
Here to help you maintain compliance with visa regulations and provide support to enrich your ASU experience, the ISSC can:
• Offer immigration advising.
• Assist with employment authorizations.
• Help you adapt to academics at ASU.
• Help you adjust to cultural differences.
• Run activities that promote international awareness.

Through these resources, the ISSC helps international students explore what it means to be a global citizen and engage with others who share a world-community mindset.

International Student Engagement
Being involved outside of the classroom is an important part of the American university experience. ASU helps you connect with personal and professional development opportunities.

Get extra academic help
ASU offers free tutoring and writing help in all subjects so you can catch up or get ahead in your studies.

Join in the fun
ASU has more than 1,500 student clubs and organizations. You can join clubs to learn something new or further explore something you love, and to make new friends.

Wellness and safety
Your wellness is our priority
To succeed at university, you need a safe and healthy environment, and that’s just what ASU offers. We provide many resources to keep you feeling good and thriving.

Campus safety
ASU is committed to providing all students a secure campus community. From a special app for your smartphone to a full-service police department on campus, see a list of some of ASU's safety services atasu.edu/campussafety

Wellness
To do well in classes, you have to feel well, both physically and mentally. ASU has a state-of-the-art fitness complex on each campus where you can go before or after your classes for a workout. If you ever have trouble adjusting to your new life, ASU provides professional counseling help.

ASU Health Services
Our full-service care clinic offers primary care, immunizations, acupuncture, allergy shots, women’s health services and more to ASU students. If you have specific cultural needs when visiting a doctor, let us know and we will do all we can to accommodate you. ASU offers a group health insurance plan for international students. Learn more ateoss.asu.edu/health/resources/coverage

Pranav P.
India
Mechanical engineering

“My first impression of ASU is that it is a great place for international students. Many people from various countries means there’s lots to share. I’ve come here to learn many things, to build up my confidence, and to get global exposure to culture, diversity, jobs, everything.”
Culture and excellence

Culture@ASU

Culture@ASU seeks to bring together all cultures and promote a better understanding and appreciation of each other. Comprised of students and faculty members, Culture@ASU sponsors festivals, talent shows and other events that highlight the many cultures represented at ASU. Additionally, there are 19 international student clubs and organizations.

Barrett, The Honors College

Barrett, The Honors College is designed to enhance the ASU undergraduate experience. Think of it as having dual citizenship in both Barrett and ASU. Barrett students have access to the vast resources of ASU while being part of a small living-learning community of scholars. In addition, they get personalized attention, exclusive faculty interaction, and special internship and research opportunities.

ASU is measured not by whom it excludes, but by whom it includes and how they succeed.

– Excerpt from ASU's Charter

Abdulraham A.

Kuwait

English, linguistics

“I chose Arizona because of the weather, but when I came here and studied, I loved it. People would not believe me when I say I have friends from all over the world. I have friends from Japan, Korea, Brazil, even Mexico — if you have friends from different cultures and different backgrounds, you can learn a lot.”

Academic colleges

The university’s schools and colleges each have expertise and undertake research in specific academic disciplines or professional areas. You will belong to one of these schools when you pursue a degree at ASU:

- Business, W. P. Carey School of
- Design and the Arts, Herberger Institute for
- Engineering, Ira A. Fulton Schools of
- Future of Innovation in Society, School for the
- Global Management, Thunderbird School of
- Health Solutions, College of
- Integrative Sciences and Arts, College of
- Interdisciplinary Arts and Sciences, New College of
- Journalism and Mass Communication, Walter Cronkite School of
- Law, Sandra Day O’Connor College of
- Liberal Arts and Sciences, College of
- Nursing and Health Innovation, Edson College of
- Public Service and Community Solutions, Watts College of
- Sustainability, School of
- Teachers College, Mary Lou Fulton

ASU is one of the fastest-growing research universities in the U.S.

– research expenditures have nearly tripled over the last decade

#1 in the U.S. for innovation

ahead of Stanford and MIT.

– U.S. News & World Report, 5 years, 2016–2020

You’ll be part of a community that envisions and creates a better future.

#2 public university in the U.S.

chosen by international students.

– Institute of International Education, 2019

You’ll be part of a global network that calls ASU home and calls the community family.

#5 in U.S. for NASA-funded research expenditures.

– National Science Foundation, 2018

ASU is among the top producers of U.S. Fulbright Student grant recipients who will teach and study abroad.

– The Fulbright Program, 2019

You’ll be part of a university with a worldwide reputation for excellence.

‘Gold standard’ of the nation’s honors colleges.

– The New York Times
Find your route to ASU

Kaplan can help you gain admission to 350+ bachelor’s degrees and nearly 200 master’s degrees. We will guide you to your best option, whether you’re ready to start an ASU degree immediately, or need extra preparation first.

Can I enter a degree directly?
Yes, if you meet all the academic and English requirements, we can help you apply for direct admission to an ASU bachelor’s or master’s degree. Our education advisors are experts in the university’s admission process and will provide valuable support during your application.

What is transfer admission?
You can apply for transfer admission into Year 2 or 3 of a bachelor’s degree if you have already studied at another university or college. Your existing undergraduate credit is evaluated for acceptance by ASU; you’ll find out how many credits will transfer with your offer of admission.

What is conditional admission?
If you meet academic criteria for a degree (bachelor’s or selected master’s programs) but do not currently meet English requirements, ASU may offer conditional admission. This gives you time to improve your English level before starting a degree at ASU. Your conditional admission offer is valid for up to 3 semesters, during which time you can join ASU’s Intensive English programs, or submit a qualifying English test score.

What is a pathway program?
An academic pathway program prepares you for full admission to an ASU degree. It is designed to raise your English level and academic grades, and build degree-level study skills, while you start to earn undergraduate credit on campus.

Where to find more program details:
- Bachelor’s degrees: pages 16–18
- Master’s degrees: pages 20–21
- Intensive English Program: page 23
- International Graduate Preparation Program: page 23
- ASU-USA Pathways: pages 24–25
- ASU-USA Pathways: pages 16–18
- On-campus 2-week summer program: page 26
- Online part-time courses: page 27

For the most up-to-date list of degrees, go to: admission.asu.edu/kaplan/degrees
Improve your English skills with Global Launch

ASU Global Launch provides English language and academic preparation for international students who want to improve their English for university admission or career advancement.

Intensive English Program
This year-round program provides a comprehensive language curriculum with cultural immersion experiences to improve your English. When you complete the program, you can transfer into ASU undergraduate degree programs without a TOEFL score. See details on page 23.

International Graduate Preparation Program
This program helps graduate applicants improve their English and receive proof of English proficiency for admission into selected ASU master’s programs. See details on page 23.

ASU-USA Pathways
This program for first-year undergraduate international students allows you to ease into the American university experience and begin your for-credit degree study while receiving additional language and cultural support. See details on pages 24–25.

Online English courses
Global Launch also offers online courses so you can improve your language skills from home while still receiving a quality education from a world-renowned American university. learnenglish.asu.edu/online/about

Learn to thrive | 24

More than 650 Global Launch alumni are currently enrolled at ASU in undergraduate and graduate degrees, including business, civil engineering, computer science, finance, electrical engineering, supply chain management and more.

Did you know?
Global Launch has helped more than 100,000 learners improve their English since 1974, and has served students from 160+ countries.

Intensive English Program
Where: Tempe or West campus
Program structure: 6 IEP levels. Students take a language test on arrival and are placed in the appropriate level:
Advanced 1 or Advanced 2
Intermediate 1 or Intermediate 2
Basic 1 or Basic 2
Please note: IEP levels do not equate with TOEFL ranges. The IEP placement test may have a different result than the standardized TOEFL test because the placement test requires a broader understanding of how English functions, and assesses English on a more finely detailed level.

Duration: 8 weeks per level
Intakes: 5 per year (January, March, May, August, October).
Program content: 21 hours of class time (3 courses) per week, including 18 hours of listening, speaking, reading and writing. Students in Basic and Intermediate levels also take a course in communications; those in Advanced levels take a specialization course in business, STEM or humanities.

Entry requirements:
• To most ASU bachelor’s degrees – on completion of IEP Advanced Level 2 with a B- (80%) or higher.
• To ASU-USA Pathways program – on completion of IEP Intermediate Level 2 with a B (84%) or higher, OR completion of Advanced 1 level with a C (70%) or higher.

International Graduate Preparation Program
Where: Tempe campus
Program structure: students are placed in the appropriate track for their intended degree: Business, Engineering or Global Management.

Duration: 10 weeks
Intake: May only
Program content: 21 hours of class time (3 courses) per week. All students take courses in graduate reading, presentation and communication skills, in addition to a writing course specialized for their track. The courses do not carry academic credit.

Entry requirements: receive “admission with deficiencies” to a master’s degree in ASU’s Ira A. Fulton Schools of Engineering, W. P. Carey School of Business or Thunderbird School of Global Management (see programs on pages 20–21, and admission requirements on page 28).

Progression: to move into a master’s degree, achieve 80% average on all IGPP assignments.

admission.asu.edu/kaplan/programs
ASU-USA Pathways program

Why choose the pathway program?

Earn your ASU degree on time
You will begin your first-year, degree-seeking undergraduate coursework on day one, which will keep you track to complete your degree in 4 years. You will transition into your degree with transferable credits.

Guaranteed admission to an ASU degree
Progress automatically to many of ASU’s majors in international and general business, as well as arts and sciences, when you successfully complete the ASU-USA Pathways program.

Learn at your own pace
The ASU-USA Pathways program is offered in 1 or 3 semesters, which will give you maximum flexibility to progress to ASU undergraduate degree study as soon as you’re ready, or extend your time with Global Launch for additional support.

Key facts

Where: West campus
Duration: 1 semester (4 months) or 3 semesters (1 year) – depending on applicant’s secondary school GPA.
Intakes: 2 per year (January and August starts)
Program content: a combination of English language and academic skills training, combined with for credit courses.
Entry requirements: see page 28 for secondary school GPA and English level for Pathways admission.
Progression: to transfer into the majors listed below, complete Pathways with the minimum required GPA.

Program structure and curriculum

Your secondary school Grade Point Average (GPA) determines the duration of the ASU-USA Pathways program. Your track, duration and intake determine which courses you will take, shown with ✓ below.

Pathway courses

Non-credit language and support courses
These courses help you improve your English and academic performance at university level. Each course has 3 hours of class time per week.
- **Academic Skills 1**
- **Academic Skills 2 and 3**
- **Academic Foundations 1**
- **Academic Foundations 2 and 3**
- **Applied English 1**
- **Applied English 2**
- **Applied English 3**
- **Applied Academic English 1 and 2**
- **Applied Academic English 3**
- **First-Year Composition 1 and 2**
- **Introduction to Academic Writing**
- **Introduction to Human Communication**
- **College Algebra/Calculus**
- **Student Success in Business**
- **The Living World**

ASU academic credit courses

- **Environmental Science, BS**
- **Forensic Science, BS**
- **History, BA**
- **Interdisciplinary Arts and Performance, BA**
- **Interdisciplinary Arts and Science, BA**
- **Latin American Studies, BA**
- **Philosophy, Religion and Society, BA**
- **Political Science, BA/BS**
- **Psychology, BA/BS**
- **Social and Behavioral Sciences, BA/BS**
- **Social and Cultural Analysis, BA**
- **Sociology, BS**
- **Spanish, BA**
- **Statistics, BS**

**These degrees on the West campus offer guaranteed progression to students who successfully complete the Pathways program. However, all majors at ASU are available if students meet program-specific entry requirements for transfer admission when they exit ASU-USA Pathways.

What can I study?

You will follow one of three tracks, based on your intended degree** after ASU-USA Pathways:

**Business track:**
- Accountancy, BS
- Business: Communication, BA
- Business: Global Logistics Management, BA
- Business: Language & Culture, BA
- Business: Sustainability, BA

**Global Management track:**
- Global Management, BGM
- International Trade, BS

**Arts and Sciences track:**
- Applied Computing, BS
- Applied Mathematics, BS
- Biology, BA/BS
- Communication, BA/BS

Pathway courses

Non-credit language and support courses
These courses help you improve your English and academic performance at university level. Each course has 3 hours of class time per week.
- **Academic Skills 1, 2 and 3**
  Develop your linguistic and cultural fluency in an American university setting.
- **Academic Foundations 1, 2 and 3**
  Refine your English language skills, with attention on reading and writing.
- **Applied Academic English 1 and 2**
  Prepare for your transition to university, with support for your academic credit courses.

ASU academic credit courses

You will study first-year academic courses and earn credits to transfer to your bachelor’s degree. Students in the 1-semester program earn 9 or 10 credits, and those in the 3-semester program earn 25 or 26 credits. See the curriculum table above for which courses you will take.
**ASU Global Summer Program: on campus**

The Design School hosts an exciting summer program for secondary school students from around the globe. The program combines challenging academic learning with a rich array of new experiences.

**Designed for:** students going into grades 9 through 12, and ages 14 to 17.

**When:** July 5–18, 2020 (application deadline: June 1, 2020).

**Program fee:** $3,500

**Included in fee:** tuition; housing and meals on the Tempe campus; ground transportation during the program, including airport pickup; off-campus activities; 24/7 adult supervision.

**Outcomes:** college-level coursework experience, certificate of participation, scholarship opportunity*.

**Program content:** STEAM (Science, Technology, Engineering, the Arts and Mathematics) topics including industrial design and digital product design. More details available at:

[asuprepdigital.org](http://asuprepdigital.org)

* Future scholarship

Attend the summer program and get a one-time $2,000 scholarship if you later apply and enroll in an ASU bachelor’s degree.

---

**ASU Prep Digital: online**

A flexible, personalized option for secondary school students who want to earn credits from a top-tier U.S. university, but aren’t ready to move to the U.S. just yet.

You can study part-time at ASU’s innovative online high school, Prep Digital, to get on an accelerated path toward university admission and careers of the future. International students can also study a full-time U.S. high school diploma through ASU Prep Digital.

**Flexible format**

These fully online courses allow you to work from anywhere, on your schedule, using adaptive learning technology.

**Earn college credit**

Students are empowered to take university courses and start earning credit in their intended major. ASU Prep Digital offers access to a wealth of resources, including mentorship and instruction from a world-class faculty that includes Nobel Laureates, MacArthur Fellows and Pulitzer Prize winners.

**Global collaboration**

Connect with students and teachers all over the world using the latest learning technologies from ASU. Class discussions take place using online audio, video and text tools.
Admission requirements

For undergraduates (bachelor's degrees)

First-year students must have a minimum 3.00 GPA from secondary school (4.00=A* or graduate in top 25% of their class. For comparable high school qualifications in other countries, visit: asu.edu/undergradadmission

Transfer students must have a minimum 2.50 GPA from their college or university.

Some degrees have higher admission requirements:
- GPA 3.60 (or top 8% of class OR a qualifying SAT/ACT score) for Bachelor of Science majors in W. P. Carey School of Business.
- SAT or ACT score and GPA 3.30 for BSN Nursing.
- SAT or ACT score for school of journalism.
- SAT or ACT score or top 25% of class for schools of engineering (Tempe campus) and sustainability, if GPA in core competencies is below 3.00.
- GPA 3.00 for transfer admission to the schools of business, engineering (Tempe campus), journalism or sustainability.

See pages 16–18 for specific degrees marked with 📌.

ASU-USA Pathways students must have minimum grades from their last 3 years of secondary school:
- GPA 2.50 or equivalent for 3-semester Pathways
- GPA 2.75 or equivalent for 1-semester Pathways

To join as a transfer student with 12–24 undergraduate credits, you must meet this same GPA criteria in your previous undergraduate coursework.

† Conditional admission may be offered to applicants with lower English levels.

Other ways to demonstrate English proficiency include citizenship of, or a bachelor’s degree from, an English-speaking country or territory. See admission.asu.edu/international/undergrad/english-proficiency and admission.asu.edu/international/graduate/english-proficiency for details.

For graduates (master’s degrees)

Undergraduate qualification: equivalent of a U.S. bachelor’s degree from an officially recognized institution, with minimum 3.00 GPA in the last 60 semester hours or 90 quarter hours of undergraduate coursework.

Some programs require specific undergraduate coursework and/or have higher requirements, e.g.:
- GPA 3.2 for MS Industrial Engineering and MSW Social Work.
- GPA 3.25 for MS/MCS Computer Science and School of Sustainability.

GMAT or GRE score required by many programs:
- GMAT or GRE for W.P. Carey School of Business and Thunderbird School of Global Management.
- GRE for many degrees in Ira A. Fulton Schools of Engineering and College of Health Sciences.
- GRE or GMAT for many degrees in Watts College of Public Service and Community Solutions.
- GRE required for School of Sustainability and School of Journalism.

See pages 20–21 for specific degrees marked with 📌.

Other supporting documents must be submitted for many programs, e.g., letters of recommendation, statement of purpose, or a resume. Art and design degrees often require a portfolio or audition.

Review your degree’s admission standards and required application materials in ASU’s Graduate Degree Search. asu.edu/grad
Scholarships
ASU offers generous scholarships to high-achieving international students:

- up to $15,500 for first-year undergraduates, renewable annually
- up to $10,000 for transfer and graduate students
- up to $8,500 for ASU-USA Pathways students

No separate scholarship application is required.* Submit a complete ASU admission application to be considered. You will be informed of any scholarship amount with your offer of admission.

‡ Applicants to the Master of Global Management can choose to also submit a Thunderbird School scholarship request, at the time of their admission application, to be considered for an additional award averaging $30,000.

Cost of attendance
The cost of attendance is the estimated cost of completing your first year as a full-time student. Costs will vary depending on personal spending habits and program of study.

Costs reflect full-time rates for the 2019–2020 academic year.

* Additional program fees are charged by some graduate programs, ranging from $250–$9,000. Visit students.asu.edu/tuition to see if your program has additional fees.

** Represents the highest undergraduate college fee category. Visit students.asu.edu/tuition to see which fee applies to your degree.

*** See costs for other campuses at students.asu.edu/financialaid/coa

† International applicants need to show evidence of funds (e.g. bank statement(s), sponsor letter) to cover their estimated cost of attendance for the first academic year of study, including the total cost of tuition, fees, housing, meals, health insurance, books and supplies, and visa fees.

ASU is on the “Best Value Colleges” list.
– Princeton Review, 2019

Scholarships
ASU offers generous scholarships to high-achieving international students:
- up to $15,500 for first-year undergraduates, renewable annually
- up to $10,000 for transfer and graduate students
- up to $8,500 for ASU-USA Pathways students

No separate scholarship application is required.* Submit a complete ASU admission application to be considered. You will be informed of any scholarship amount with your offer of admission.

‡ Applicants to the Master of Global Management can choose to also submit a Thunderbird School scholarship request, at the time of their admission application, to be considered for an additional award averaging $30,000.

‡‡ Submit a complete ASU admission application to be considered.

‡‡‡ Visit students.asu.edu/financialaid/coa to see costs for other campuses.

**Next steps: application and admission**

1. **Submit your application to Kaplan**
   
   Go to: admission.asu.edu/kaplan/asu-apply
   
   Also upload copies of supporting documents, including academic transcripts and test scores.
   
   No personal statement, recommendations or resume are needed for undergraduates, but additional documents are often required from master's applicants.

2. **Application review**
   
   Kaplan will notify you of any missing documents or information, and check specific requirements for your desired program. Once complete, Kaplan will submit your application to ASU—the standard application fee is waived.

3. **Receive admission decision from ASU**
   
   When ASU receives all of your official supporting documents, they will make an admission decision. If you are admitted, you will get access to MyASU, the university's student portal, and be guided through the remaining steps to enrollment.

4. **Accept your place at ASU**
   
   To secure your place at ASU, pay a deposit* or confirm your intent to enroll before any I-20 deadline.

5. **Request your I-20 and apply for a visa**
   
   After ASU receives the required financial documents from you, they issue a visa eligibility document (Form I-20). You need a printed copy of the I-20 to apply for a student visa. Visa appointment and processing wait times vary greatly. Apply up to 120 days before the start date on your I-20.

6. **Complete pre-arrival tasks**
   
   Once you have your visa, you must confirm your housing and complete any necessary forms and placement tests before you arrive. It is important that you read and understand all the pre-arrival information you are given through MyASU.

7. **Start your program at ASU**
   
   Make travel arrangements to arrive in the U.S. in time for international student orientation. The schedule of welcome events will help you meet new friends and learn about ASU.

* Deposit amounts:
  
  Undergraduate degrees: $300
  
  Master's degrees in W.P. Carey School of Business: $500
  
  Master's degrees in Thunderbird School of Global Management: $500
  
  MBA in W.P. Carey School of Business: $1,000
  
  ASU-USA Pathways: $899

**Important information about application deadlines**

The deadline dates listed above are aligned to ASU’s general admission application deadlines, and are for applicants applying through Kaplan. Programs with additional application processes have earlier deadlines:

- Programs requiring an audition or interview
  - Degrees in the School of Music
  - Dance and theatre degrees

- Programs requiring a portfolio
  - Master's degrees in The Design School (architecture, urban design, visual communication design, etc.)
  - MFA degrees in the School of Art
