

# UK Progression Scholarships for 2022

Our best-performing students can qualify for a progression scholarship to reduce their degree tuition fees.

These valuable scholarships are awarded jointly with our partner universities to students who successfully progress to a degree in Autumn 2022.

Contact your Kaplan Pathways representative for details.

# Scholarships available for degrees starting in Autumn 2022

All scholarships are provided as fee discounts on your first year of degree study at university.

**Key:** FC: Foundation Certificate IYO: International Year One PM: Pre-Master's : These scholarships apply to every year of the degree course

**Pathway course tuition scholarships:** We also offer partial tuition scholarships to qualifying students for pathway courses in the UK. These are awarded based on students' academic achievements in their previous studies, and make the cost of studying abroad a little more affordable. Many of the scholarships available require students to meet certain future marketing commitments, such as testimonials, videos or photo shoots. Please ask your Kaplan representative for more information.
