Every effort is made to ensure accuracy at time of publication: January 6, 2021. Prices are intended for informational purposes and are not final. Tuition rate is valid for the 2020–21 academic year, and is likely to rise in 2021–22. Refer to UConn’s website at <https://admissions.uconn.edu/cost-aid/tuition> for the most up-to-date pricing information. All tuition, fees and deposit are paid directly to the University of Connecticut.

Academic Center for Exploratory Students (ACES)

ACES is UConn's advising program for students who must complete specific pre-professional requirements for 2 years before applying to a professional major. There is also an "Exploratory – Undecided" option for students who want to explore the University's options before deciding on a field of study, and a "Pre-Individualized Major" for students who want to design their own interdisciplinary degree.

Special programs

Taken alongside any of UConn's bachelor's programs, a separate application is required for these highly competitive special programs. No extra fee is charged.

Special Programs offer a coordinated curriculum that includes undergraduate preparation, followed by optional enrollment in the affiliated UConn graduate school. Students receive one-on-one support to prepare them for the challenges of professional school. Opportunities include unique programming events, taking courses with graduate school professors, and mentorship from practicing professionals.
