Life in London

London is hugely vibrant and diverse. It’s ranked as the #1 student city in the world by QS Best Student Cities 2018, and is a centre for world-class education, culture and creativity.

Experience London

History
Learn about London’s culture: venture into the city’s past at the Museum of London, or explore hundreds of interesting science and nature exhibitions at the Natural History Museum.

Art and Design
Admire modern art from around the world at the Tate Modern gallery, or discover innovative new products and concepts at the Design Museum.

Shopping
London is home to world-famous Oxford Street, as well as Westfield London and Westfield Stratford, 2 of Europe’s largest shopping centres, with so many stores to explore.

Nightlife
Have a great night out with your new friends: visit some of the best pubs, clubs and bars in the UK.

Music and theatre
Experience top-class entertainment acts at one of Europe’s biggest arenas, the O2, or enjoy a play or musical show at a theatre in London’s West End.

Food
Try new and exciting food from around the world: enjoy a traditional English afternoon tea, spicy Indian curries on Brick Lane, or take a walk through Chinatown to sample the city’s finest Chinese cuisine.

Nature
Wander through Hyde Park, one of the city’s many beautiful green public spaces, or enjoy a peaceful boat cruise along the River Thames.

Sport
Watch some of the world’s greatest football teams play at Wembley stadium, see professional tennis at Wimbledon, or visit Queen Elizabeth Olympic Park, home to the London 2012 games.

Outside of London
Trains from London can take you almost anywhere in the UK. Visit the historic towns of Cambridge and Oxford, or spend a day by the sea in Brighton.

Getting around

The Underground
The vast underground rail network, also known as the ‘Tube’, is the quickest and easiest way to travel.

Buses
Ride on a red London bus: they are an easy and great value way to see the city’s sights.

Trains
London has frequent rail services to all major UK cities, airports and other destinations. Continental Europe is only a train ride away. The Eurostar rail service runs fast trains to France, Belgium and the Netherlands from London St. Pancras International station.

Boats
Catch a River Bus along the Thames and see attractions such as the Houses of Parliament and the Tower of London.

Taxis
Although they are more expensive than public transport, taxis (or ‘black cabs’) can be convenient for shorter journeys or when you are travelling with heavy luggage.

Bicycles
London also has a popular bicycle hire scheme called ‘Santander Cycles’. Once you have paid the £2 bike access fee for the day, the first half hour is free!

How to book

Follow the simple steps below to book your accommodation. Use the answers to the right for more help.

Step 1
Use the Accommodation dates and prices pages in this guide to choose the option that matches your course dates.

Step 2
When applying to study on a course, you can indicate your preferred room type on the application form. We will then record your accommodation preferences and send you further information with your tuition offer letter.

OR

If you have already completed the course application form, you can complete the online Accommodation Form to indicate your accommodation preferences, based on the information given in this guide.

Step 3
Once you have accepted your offer, we will be able to confirm your accommodation option. We will reserve a room for you and send you an Accommodation Agreement. You will then need to complete the following steps in order to secure your booking:

1. Fill in your guarantor details on the Accommodation Agreement

2. Both you (the tenant) and your guarantor will need to read and sign the Accommodation Agreement, and then return it by the accommodation confirmation date, which can be found in the Agreement. A third person must also witness the signatures, and provide their own details on the Agreement.

3. If you have not done so already, you will also need to make a minimum first payment of £1,000 to secure the room. This will be credited towards your overall accommodation fees.

Step 4
When you are ready to come to the UK and have booked a flight, you will need to confirm your arrival details by completing the online Pre-Arrival Form. The College will be able to book and confirm transfers for you, and more details are provided in the Pre-Arrival Guide. Please submit your arrival details at least two weeks before you fly to ensure the College and your accommodation are prepared for your arrival.
