

## Bournemouth University International College

# Course information

This booklet contains information about the pathway courses at Bournemouth University International College. Choose your preferred Bournemouth University (BU) degree, and see which pathway course you need to take to gain entry. You can also find further information about the courses, including tuition fees, start dates, entry requirements and module details.

### Undergraduate pathways

Progression degrees	03
---------------------	----

#### Foundation Certificate:

Business, Law or Finance	04
--------------------------	----

Computing	06
-----------	----

Events, Tourism and Hospitality	
---------------------------------	--

Management	08
------------	----

Media and Communications	10
--------------------------	----

Science	12
---------	----

#### International Year One:

Business	14
----------	----

Media and Communications	16
--------------------------	----

Module summaries	18
------------------	----

### Postgraduate pathways

Progression degrees	21
---------------------	----

#### Pre-Master's:

Business, Law or Finance	22
--------------------------	----

Events, Tourism and Hospitality	
---------------------------------	--

Management	24
------------	----

Media and Communications	26
--------------------------	----

Module summaries	28
------------------	----

### Pre-Sessional English

Pre-Sessional courses	30
-----------------------	----

Module summaries	32
------------------	----

#### Multi-Progression Pathway

If you want to consider a wider set of universities alongside BU and keep your options open for your progression degree, you can study a Multi-Progression Pathway (MPP) course at the International College. This will prepare you for a degree at a range of UK universities.

<b>4.0 overall</b> with no less than 4.0 in any skill	3.5 terms	£16,460	April 2021	June 2022	1.5 terms of Extended English and Skills modules
			July 2021	August 2022	
4 terms	£19,300	March 2021	June 2022	2 terms of Extended English and Skills modules	
		June 2021	August 2022		

**Academic entry requirements:** for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: [kaplanpathways.com/bournemouth/ug-degrees](http://kaplanpathways.com/bournemouth/ug-degrees)

**Your course length:** this is influenced by your UKVI IELTS score that you submit as part of the admissions process. Soon after you arrive at the College, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals. This flexibility means that you can follow your path to university, your way.

# Foundation Certificate

for Business, Law or Finance

### Common modules for 2-term courses:

these are taken by all students

- > English for Academic Purposes
- > Extended Project

### You will also take 3 of the following modules that fit your degree and career goals<sup>†</sup>:

- > Contemporary Global Issues
- > Entrepreneurship
- > Logic and Critical Thinking
- > Mathematics

**Personal development activities:** during your course, you'll also have activities to build practical, digital and employability skills.

**Learn more about modules:** you'll find module summaries later in this booklet.

**Extra support:** for courses of over 2 terms, you will also take Enhancement modules or Extended English and Skills modules (depending on your IELTS score) before the modules to the left.

### Students with UKVI IELTS 5.5: you can study a 2.5 or 3-term course with Enhancement modules to maximise your university preparation

- > Critical Reading, Writing and Reasoning for Higher Education
- > Digital Applications
- > Independent and Collaborative Study
- > UK Society and Culture

### Students with less than UKVI IELTS 5.5: you will study Extended English and Skills modules to improve your English language level and academic skills.

#### Students with UKVI IELTS 5.0 will typically take:

- > English for Academic Study 3
- > Independent and Collaborative Study
- > Reading and Writing 3
- > Speaking and Listening 3

#### Students with UKVI IELTS 4.5 will typically take:

- > English for Academic Study 2
- > Reading and Writing 2
- > Speaking and Listening 2
- > Study Skills Preparation

#### Students with UKVI IELTS 4.0 will typically take:

- > English for Academic Study 1 + English for Academic Study 2
- > Reading and Writing 1 + Reading and Writing 2
- > Speaking and Listening 1 + Speaking and Listening 2
- > Study Skills Preparation

<sup>†</sup> For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

**Biology**

Gain an understanding of biological systems and organisms, as well as key laboratory processes.

**Business Law**

Learn about the legal principles that affect modern businesses, including contract law and company law.

**Communication Theory**

Explore the major theories of communication and analyse different types of communication.

**Contemporary Global Issues**

Explore the big issues facing humanity in the 21st century, and critically evaluate their causes and effects.

**Critical Reading, Writing and Reasoning for Higher Education**

Enhance your ability to read and understand complex ideas in English, and to compose convincing written arguments.

**Cross Platform Media**

Examine the theories and concepts of cross platform and multi-platform storytelling and their applications.

**Digital Applications**

Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

**Digital Essentials**

Examine digital media and emerging digital technologies, and develop your practical skills and competencies in this area.

**Economics**

Gain an understanding of macro and micro economics, and explore current trends and issues in the field.

**English for Academic Purposes**

Develop your English to the level you need for university study, and to really get involved in academic discussions.

**English for Academic Study 1**

Gain a better understanding of how English is used in academia.

**English for Academic Study 2**

Improve your English grammar and vocabulary in order to communicate in an academic environment.

**English for Academic Study 3**

Expand your knowledge of English grammar and vocabulary to the level required for degree study.

**Entrepreneurship**

Familiarise yourself with varied concepts of creativity, entrepreneurship and innovation, and learn how to apply them in business.

**Entrepreneurship and Business Development**

Explore how to start and nurture a business, how to develop commercial ideas and how to present a business plan.

**Extended Project**

Learn how to plan, carry out and report an extended project. You can choose a topic that matches your degree and career goals, and personal interests.

**Financial Accounting**

Learn about standard accounting conventions, and the role of financial accounting within organisations.

**Independent and Collaborative Study**

Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

**Information Technology**

Discover the key concepts of computer science, including data representation and programming languages.

**Intermediate Digital Applications**

Gain a better understanding of the digital landscape, and gain the skills you'll need to use online sources for academic study.

**Language in Media**

Analyse and evaluate the effectiveness of a range of real-world media industry genres and styles.

**Logic and Critical Thinking**

Explore the concepts, history and skills relating to logic and critical thinking, and how they apply in real-world contexts.

**Management Accounting and Financial Management**

Find out about the role of financial management in organisations, and techniques for financial decision-making.

**Marketing Principles**

Gain an insight into the key principles of modern marketing, and its role in business and commercial competition.

**Mathematics**

Develop your mathematical skill set in areas such as algebra, decision maths, probabilities and statistics.

**Media and Society**

Evaluate the changing roles and nature of the media and communications industries over time in a global society.

**Quantitative Methods for Business**

Enhance your understanding of mathematics and quantitative techniques, and how to apply them to accounting, finance and management.

**Reading and Writing 1**

Improve your reading and writing in English for academic study.

**Reading and Writing 2**

Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

**Reading and Writing 3**

Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

**Speaking and Listening 1**

Work on your listening and speaking in English to aid you during your studies.

**Speaking and Listening 2**

Practise listening and speaking so that you are better prepared for academic debate and discussion.

**Speaking and Listening 3**

Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

**Study Skills Preparation**

Gain an introduction to the wide range of skills and strategies you'll need to succeed at university, such as research methods and using and citing sources.

**UK Society and Culture**

Learn more about the culture and society of the UK, and how it differs from others.

**Personal development activities (all courses)****Culture and activities**

We'll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

**Employability and digital skills**

Outside of your academic learning, you'll also be taught skills that will be useful at university and later in life. You'll receive help in making the most of your creativity, improving your communication and developing your digital skills. We'll also help you build a CV, portfolio and online profile to empower you after you graduate.

**Social networking**

Forming a strong social network can be very beneficial, even if it's just to discuss and debate ideas. Not only will you get to know your classmates, you'll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start your career

### English for Academic Purposes

Develop your English to the level you need for university study, and to really get involved in academic discussions.

### English for Academic Study 2

Improve your English grammar and vocabulary in order to communicate in an academic environment.

### English for Academic Study 3

Expand your knowledge of English grammar and vocabulary to the level required for degree study.

### Independent and Collaborative Study

Work independently on an academic task, and practise applying your subject knowledge and study skills.

### Philosophy, History and Culture

Explore Western philosophy and its history, and analyse events and developments in your degree area in a historical and cultural context.

### Project Management

Gain key skills in project management, and apply your knowledge to a project.

### Reading and Writing 2

Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

### Reading and Writing 3

Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

### Research Project

Plan, execute and report a comprehensive research project. You'll choose a research topic based on your degree and career goals, and personal interests.

### Speaking and Listening 2

Practise listening and speaking so that you are better prepared for academic debate and discussion.

### Speaking and Listening 3

Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

### Study Skills Preparation

Gain an introduction to the wide range of skills and strategies you'll need to succeed at university, such as research methods and using and citing sources.

### Strategic Management

Explore key concepts of strategic management, and evaluate their impact on businesses and their operations.

### Personal development activities (all courses)

#### Culture and activities

We'll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

#### Employability and digital skills

Outside of your academic learning, you'll also be taught skills that will be useful at university and later in life. You'll receive help in making the most of your creativity, improving your communication and developing your digital skills. We'll also help you build a CV, portfolio and online profile to empower you after you graduate.

**Pre-Sessional English (Fast Track)**

All students will take the following modules:

- › Exam Skills Practice
- › Grammar and Sentence Structure
- › Language for Study 3
- › Vocabulary and Pronunciation

**Pre-Sessional English Language with Study Skills**

All students will take the following modules:

- › Language for Study 3
- › Progressions Project (related to your degree)
- › Skills for Study 3

You may take additional modules depending on the length of your course.

**Bachelor's Enhancement**

All students will take the following modules:

- › Life in the UK
- › Personal Development and Progression Project
- › Skills for Study 3

**Master's Enhancement**

All students will take the following modules:

- › Personal Development and Progression Project
- › Skills for Postgraduate Study
- › UK Culture and University Life

**Exam Skills and Practice**

This module focuses on developing exam skills through exploration and practice of strategies and techniques needed for the Language Exit Exam used for progression to the intended degree programme.

**Grammar and Sentence Structure**

The module enhances students' linguistic ability and knowledge of the complex English grammar and sentence structure used in formal academic writing and speaking texts.

**Language for Study 3**

This module enhances and develops students' ability to understand spoken and written discourse, and use information appropriately in spoken and written academic contexts.

**Life in the UK**

The module aims to combine an overview of the structure of British society with an awareness of the history and culture of the local area in which the students live and study.

**Personal Development and Progression Project**

This module introduces key personal development ideas and learning techniques, as well as research and report writing techniques, equipping students with key skills for success on their intended degree.

**Progression Project**

This module aims to enhance students' knowledge of their proposed field of study by carrying out secondary and primary research for a project report on a topic of their choice.

**Skills for Postgraduate Study**

This module aims to develop students' ability to think, listen and read critically when investigating information and points of view using academic sources. It also focuses on raising awareness of academic conventions used on their intended degree.

**Skills for Study 3**

This module will help students to think, listen and read critically when making use of academic sources and information. It will help students develop the varied skills required for degree study.

**UK Culture and University Life**

This module aims to provide students with an introduction to life and culture in the UK, which should complement their experiences as international students living and studying in the UK.

**Vocabulary and Pronunciation**

The module enhances students' linguistic ability and knowledge of academic vocabulary. It will help them to properly communicate to the level required for university study.

This publication has been drafted in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publishing, but changes (for example to course content) are likely to occur given the interval between publishing and commencement of the course. It is therefore very important to check the website or contact us for any updates before you apply. Once you have applied, any change which impacts the terms and conditions of your offer or a significant part of your programme will be communicated to you.

Bournemouth University International College is operated by Kaplan Bournemouth Limited (company number: 08291927), with registered address: 2nd Floor, Warwick Building, Kensington Village, Avonmore Road, London W14 8HQ.
