We're here for you

The world has changed a lot recently, and the accommodation we offer has adapted with it. Our dedicated accommodation team will support you and guide you through your options whenever you're ready to travel. We'll help make sure you have an amazing time here in the UK.

Best time to book
We are welcoming students to our residences. However, we advise you to book your accommodation only once you have received your CAS, and you know that you are definitely coming to the UK (travel restrictions permitting).

If you have confirmed your place to study in the UK, then you will be able to reserve your room in Kaplan-booked accommodation.

You will be guaranteed a room when you are ready to come to the UK (in line with accommodation contract start dates), and we will do everything we can to find you a fantastic place to stay during your pathway course.

Spring, Summer and Autumn 2020 starters
If you started your course remotely between April 2020 and December 2020, and planned to join us in person later on, for most programmes we are offering 3 different accommodation contract start dates for you to choose from: 6 January 2021, 27 February 2021 or 17 April 2021. All accommodation options and total costs are available on our Accommodation Form.

We understand the current global situation demands some flexibility. That’s why we are offering 3 different arrival dates for you to choose from: 6 January 2021, 27 February 2021 or 17 April 2021. These flexible accommodation start dates correspond with our study programme start dates. This means that you can begin your programme remotely if you wish on 6 January 2021, and then move into your UK accommodation later on 27 February 2021 or 17 April 2021.

Summer 2021 early arrival
If availability allows, you might be able to arrive early at your accommodation for courses starting in Summer 2021. Please let us know at pathways.accommodation@kaplan.com when you expect to arrive, and we can confirm further details along with any costs.

Learn more about flexible start dates and arrivals here.

Your accommodation options

Useful information

You can find some helpful information below to guide you through your accommodation application.

Accommodation Agreement
The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your Accommodation Agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

Accommodation confirmation
You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book. If your Accommodation Agreement is cancelled, you will be offered the next available room.

Accommodation length change
You may not change your contract length after you have booked and signed your Accommodation Agreement.

Evidence of payment
Evidence of payment can be a copy of the payment receipt, bank statement, banker's draft or via Flywire.

First payment
The first payment is to secure your accommodation along with the signed accommodation agreement. The £1,000 first payment is then divided into £250 for the security deposit and £750 towards your accommodation fees. Your security deposit will be fully returned when you move out of your accommodation. It will not be refunded if the room is damaged or left in bad condition, or if there are any accommodation penalty charges outstanding.

Guarantors
A guarantor is someone who will be legally responsible for any accommodation fees you are unable to or fail to pay.

Moving into your room
You will be able to move into your room from the start date of your contract, but only if you have sent us your signed Accommodation Agreement and first payment.

Refunds
When your Accommodation Agreement is cancelled and you decide not to take another offered room, refund of any fees paid will only be granted in line with Kaplan International Pathways’ Terms and Conditions, and may be subject to an administration fee being deducted. If you leave the College for any reason after you arrive, accommodation fees will not be refunded.

Kaplan Living Special Support
Because your wellbeing is extremely important to us, we are offering extra assistance to students staying at Kaplan Living Nottingham. This package is called Kaplan Living Special Support and is available from January 2021. With this service, Wellbeing Coordinators will be on hand to help you settle into life in the UK, assist with any problems you encounter, and ensure that you can live and study with us safely. This 24/7 support is available to all students for an additional fee of £300 — just tick the box on the Accommodation Form to confirm you’d like to sign up to the service. This is an optional extra service for students over the age of 18; for those under 18, it is mandatory for their wellbeing.

Under 18s
The College will accommodate students under 18 years of age in a single-sex flat with other students under 18 years old. Students who are under the age of 18 on arrival in the UK may be asked to pay all their accommodation fees before they arrive, and are advised to stay in either Kaplan or university-arranged accommodation.

Visa
If your visa application is unsuccessful, please send a copy of your visa refusal documents (or other evidence) to your Admissions Adviser for review. A decision will then be made regarding eligibility for refund in line with the company’s terms and conditions.

Spring and Summer 2021
If you start your course between January and July 2021, you will be guaranteed a room when you are ready to come to the UK (in line with accommodation contract start dates). We advise you to only book your accommodation once your CAS has been issued and you know that you are definitely coming to the UK (travel restrictions permitting).
