*These TOEFL ranges can be used to give students a sense of how long they will need to study in the IEP before being ready to move onto a degree program. IEP students will be tested and placed in the appropriate IEP level upon arrival. The IEP placement test may have a different result than the standardized TOEFL test because the placement test requires a broader understanding of how English functions, and assesses English on a more granular level.

** School of Law degrees that offer conditional admission through the IEP program include: Laws, LL.M., Laws (Global Legal Studies), LL.M.; Laws (Sports Law and Business), LL.M.; Legal Studies, M.L.S.; Legal Studies (Patent Practice), M.L.S.; Legal Studies (Sports Law and Business), M.L.S.; Sports Law and Business, M.S.L.
