Guaranteed progression

All Foundation Certificate courses offer guaranteed entry to a University of York degree when you pass at the required level with good attendance.

Course delivery

All Foundation Certificate courses are taught in person at the University of York International Pathway College on campus.

Your path to university:

Key:

Bu: Foundation Certificate Business and Finance

Co: Foundation Certificate Computer Science and Engineering

Hu: Foundation Certificate Humanities, Creative Arts and Media

In: Foundation Certificate Interactive Media

La: Foundation Certificate Law and Social Sciences

Li: Foundation Certificate Life Science, Biomedicine and Environment

Ma: Foundation Certificate Mathematics, Economics and Actuarial Science Internships: all pathway course subjects have the option of an integrated virtual internship as an extra final term in the UK. This finishes in time for you to still start your university degree on schedule.

You'll take your online internship in the UK, giving you the chance to gain valuable work experience and improve your employability.

Notes

Footnotes:

Some of the degrees listed include an additional year spent abroad or in industry, either as standard or optional. Please check our online Degree Finder for details: kaplanpathways.com/york/ipc-ug-degrees

Business and Finance

University of York International Pathway College

Foundation Certificate

Business and Finance

Minimum English level: UKVI IELTS score*	Course length	Course tuition	Course start > Course end	Add-ons	Extra support			
> Your Foundation Certif	> Your Foundation Certificate options for degree entry in September 2024							
5.5 overall with no less than 5.0 in Speaking and Writing and 4.5 in Reading and Listening [†]	1.5 terms (intensive)	£19,575	February 2024 > August 2024					
5.5 overall with no less	2 +	620.270	September 2023 > May 2024	0				
than 4.5 in any skill†	2 terms	ns £20,270 -	£20,270 ·	120,270	January 2024 > August 2024			
5.0 overall with no less than 4.5 in any skill [†]	2.5 terms	£21,660	October 2023 > August 2024		0.5 terms of Academic Skills and English language modules			
5.0 overall with no less than 4.0 in any skill [†]	3 terms	£21,660	September 2023 > August 2024		1 term of Academic Skills and English language modules			

Costs of studying abroad

For details about the cost of studying in York, in addition to pathway course tuition fees, please see our webpage: kaplanpathways.com/york-study-costs

- * UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/
- **† Note:** courses leading to selected degrees listed under Business and Finance or Marketing and Media have higher IELTS requirements:
- 1.5 terms: 5.5 overall with no less than 5.5 in Speaking and Writing and 5.0 in Listening and Reading. 2 terms and 3 terms with internship: 5.5 overall with no less than 5.0 in any skill.
- 2.5 terms: 5.0 overall with no less than 5.0 in Writing and 4.5 in all other skills.
- 3 terms: 5.0 overall with no less than 4.5 in any skill.

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/york/ipc-ug-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:

- Business and Management
- Introduction to Economics
- Language and Study Skills 2[^]
- Statistics
- ^ Note: students on the 1.5-term course will have fewer taught hours of Language and Study Skills 2, because of their higher English language level at the point of entry.

Extra support: for courses longer than 2 terms with no internship, you'll also take Academic Skills and English language modules to gain extra university preparation:

- Contemporary Global Issues
- Foundation Mathematics
- Language and Study Skills 1

Learn more about modules: you'll find module summaries later in this booklet.

Optional integrated online internship

For selected course options and just a small extra fee (maximum £1350), you can take an internship as an additional final term while at the Pathway College in the UK. You will:

- apply and further develop your English language in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree
 See the undergraduate module summaries section for more details.

Undergraduate module summaries

Notes

21st Century Media

Study topical issues in media such as TV, film, games and the internet, and analyse media trends, issues and technologies.

Advanced Mathematics

Learn the mathematical skills needed for the study of Science and Economics, including the topics of calculus, matrices, vectors, algebra and trigonometry.

Biology

Understand the key concepts, structures and processes within biology.

Business and Management

Explore the basics of national and international business environments, and understand the role of management and strategy in business.

Chemistry

Study physical, organic and inorganic chemistry, explore patterns in the periodic table, and learn to describe chemical reactions.

Contemporary Global Issues

Explore topical issues and their historical origins, and study the short and long-term implications of a variety of current affairs.

Core Science

Learn about key scientific concepts and principles, and explore the most important topics in biology, chemistry and physics.

Electronics

The electronics module is designed to provide you with an introduction to the behaviour of electronic components and their use in circuits.

Foundation Mathematics

Understand core concepts of mathematics, and learn algebra, calculus and trigonometry.

Introduction to Economics

Learn about micro and macro economics, and study aggregate economic behaviour and how an open economy works.

Introduction to Law

Learn about English law, and understand how to structure solutions to legal problems.

Language and Study Skills 1

Learn how to speak, read, write and listen in an academic context, and improve your vocabulary, grammar and pronunciation.

Language and Study Skills 2

Develop academic English knowledge, and apply academic style to written and spoken work.

Mathematics for Life Scientists

Learn the mathematics skills needed in life science studies.

Robotics, Programming and Electronics

Design and programme a robot, and design and build simple electronic circuits.

State and Society

Explore the fundamentals of politics and sociology, and consider the relationship between the state, society and the individual.

Statistics

Learn the skills needed to analyse and apply statistics in a ran.

Online internship

While you're at the College in the UK, you'll take an online work placement as your final term if you choose a pathway course with integrated internship.

The internship is offered in partnership with Virtual Internships, a leading education company in the field. This gives you the chance to gain valuable work experience at one of 3,500+companies around the world.

You will choose one of 18 career fields on your internship, based on your chosen progression degree. This will all help you develop important skills, practise your English and give you some great experience to add to your CV.

Business with Law

University of York International Pathway College

Pre-Master's:

Business with Law

Minimum English level: UKVI IELTS score*	Course length	Course tuition	Course start > Course end	Add-ons	Extra support			
> Your Pre-Master's options for degree entry in September 2024								
5.5 overall with no less	SS 2 terms	£23,100	September 2023 > May 2024	0				
than 5.5 in any skill			January 2024 > August 2024					
5.5 overall with no less than 5.0 in any skill [†]	2.5 terms	£27,510	October 2023 > August 2024		0.5 terms of Academic Skills and English language modules			
5.0 overall with no less than 4.5 in any skill [†]	3 terms	£27,510	September 2023 > August 2024		1 term of Entry to Pre-Masters			

Costs of studying abroad

For details about the cost of studying in York, in addition to pathway course tuition fees, please see our webpage: kaplanpathways.com/york-study-costs

- * UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/
- † Please note: courses leading to selected degrees listed under Business and Finance, Law, or Marketing and Media have slightly higher IELTS requirements:
- 2.5 terms: 5.5 with at least 5.5. in writing and 5.0 in all other skills.
- 3 terms without internship: 5.0 overall with no less than 5.0 in any skill.

Academic entry requirements: for all course options above, you need to have completed at least 3 years of higher education in a suitable subject. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: *kaplanpathways.com/york/ipc-pg-degrees*

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:

- International Business with Law
- Introduction to Management
- · Language and Study Skills
- · Research Skills

Extra support for 2.5-term courses: you'll also take a 5-week English language module to give you additional preparation for university:

• English for Academic Purposes

Extra support for 3-term courses with no internship: you'll also take an Entry to Pre-Masters module to give you additional preparation for university:

• English for Academic Purposes

Learn more about modules: you'll find module summaries later in this booklet.

Optional integrated online internship

For selected course options and just a small extra fee (maximum £1350), you can take an internship as an additional final term while at the Pathway College in the UK. You will:

- apply and further develop your English language in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree
 See the postgraduate module summaries section for more details.

Postgraduate module summaries

Notes

Contemporary Issues in Society

Develop understanding of political and social issues, including perspectives related to education and the media.

English for Academic Purposes (0.5-term English Language Pre-Sessional)

This module aims to develop your English language ability, and will give you an introduction into academic English and the study skills that you will need to be a successful student.

English for Academic Purposes (1-term Entry to Pre-Masters)

Learn English language skills in an academic context, and improve your writing and speaking skills.

International Business with Law

Achieve a broad understanding of the international business environment, including its financial and legal aspects.

Introduction to Management

Understand the functions of management within a practical context.

Language and Study Skills

Develop your academic language in reading, writing, speaking and listening, using a range of media. Improve your study skills to become a more independent learner.

Mastering the Social Sciences for the 21st Century

Develop knowledge and understanding of the social sciences that will give you the confidence to be successful in your future postgraduate study.

Mathematics for Postgraduates

Learn key differentiation and integration techniques, and study limits, sequences and series, equations of lines, planes and surfaces, and double and triple integrals and vector calculus.

Research Skills

Develop your design, organisational and critical thinking skills to conduct your own research project and evaluate the work of others.

Statistics for Postgraduates

Learn methods of probability and statistics, experimental design and sampling, and develop data handling skills.

Online internship

While you're at the College in the UK, you'll take an online work placement as your final term if you choose a pathway course with integrated internship.

The internship is offered in partnership with Virtual Internships, a leading education company in the field. This gives you the chance to gain valuable work experience at one of 3,500+companies around the world.

You will choose one of 18 career fields on your internship, based on your chosen progression degree. This will all help you develop important skills, practise your English and give you some great experience to add to your CV.
