Can I enter a degree directly?

Yes, if you meet all the academic and English requirements, we can help you apply for direct admission to an ASU bachelor’s or master’s degree. Our education advisors are experts in the University’s admission process and will provide valuable support during your application.

What is transfer admission?

You can apply for transfer admission into Year 2 or 3 of a bachelor’s degree if you have already studied at another university or college. Your existing undergraduate credit is evaluated for acceptance by ASU; you’ll find out how many credits will transfer with your offer of admission. When you complete your bachelor’s degree, it is awarded by ASU.

What is ASU-USA Pathways?

This program is for first-year undergraduate international students who want to ease into the American university experience and begin their for-credit degree study while receiving additional language and cultural support. Taught on ASU’s West campus, there is a choice of 3 pathways: Business, Global Management or Arts and Sciences. By successfully completing ASU-USA Pathways, you are guaranteed admission to select ASU majors.

What is the Intensive English Program?

This year-round program provides a comprehensive language curriculum with cultural immersion experiences to improve your English. When you complete the program, you can transfer into select ASU degree programs without a TOEFL score. There are 6 IEP levels, from basic to advanced, each lasting 8 weeks. Students take a language test on arrival and are placed in the appropriate level.

What is the International Graduate Preparation Program?

This 10-week program at ASU’s Tempe campus helps graduate applicants improve their English and receive a TOEFL waiver for admission into selected ASU master’s degree programs in business, finance, global management, engineering, computing and technology.

* Some degrees have higher or extra entry requirements. See page 7 for details.
Choice of degrees

ASU offers a wide variety of undergraduate majors and graduate programs, delivered by 17 highly ranked academic schools and colleges. Kaplan can help you gain admission to 350+ bachelor's degrees and nearly 200 master's degrees. Your choice of academic subjects is shown in the table below.

Next steps

Ready to apply?

Step 1:
Submit your application
Go to: admission.asu.edu/kaplan/asu-apply

Step 2:
Upload supporting documents
This includes academic transcripts and test scores. No personal statement, recommendations or résumé are needed for undergraduates, but additional documents may be required for master's applicants (see admission.asu.edu/kaplan/asu-grad-admission).

Step 3:
Application review
Kaplan will notify you of any missing documents or information, and check specific requirements for your desired program.

Step 4:
Application package is sent to ASU
Once complete, Kaplan will submit your application to ASU—the standard application fee is waived.

Step 5:
Receive admission decision from ASU
When ASU receives all of your official supporting documents, they will make an admission decision. If you are admitted, ASU will guide you through the remaining steps to enrollment.
