

Summer 2020 intake

Bachelor's Completion Program

Who is the program for?

This streamlined program is designed for international students with at least 32 applicable credits of previous undergraduate study. It is also suitable for those who wish to transfer after a higher education qualification in their home country. Students can finish up to 6 remaining semesters of study within 2 calendar years.

Conditional admission to a master's

Applicants to the Bachelor's Completion program can, at the same time, apply for conditional admission to a master's program at the College of Professional Studies.

Scholarships

- Merit scholarships for the Bachelor's Completion Program are available for students with strong applications.
- After completing a degree at Northeastern University (NU), students get a 25% discount on tuition for an eligible master's degree or graduate certificate program.
