to Khayelitsha

Good day

Our telephone conversation of this afternoon refers. Please provide us with an agenda for the proposed meeting between the SAPS Khayelitsha Cluster Commander and our organisations. We need more information about what SAPS wants to discuss with us. Given the short notice and insufficient details about the nature of the meeting we will unfortunately not be able to meet this coming Tuesday.

I look forward to hearing from you.

Kind regards

Joel Bregman
