Further to your conversation with Mark Eyres of Capital Carbon Credits he has asked me to confirm a few points with you directly which I am happy to do.

I can confirm that African Land Limited holds the head lease in the Gola project promoted by Capital Carbon Credits. Investors have been granted subleases from African Land which will accrue carbon credits and which will be beneficially owned by the sub lease land owners.

If you require any further information please do not hesitate to contact me.

Kind regards
