Legend

- Index contour
- Contours
- Form line
- Slope line
- Earth bank
- Dry ditch
- Earthwall, small
- Knolls small, elongated
- Depressions, pit
- Boulder small
- Boulder field, stony ground
- Boulder cluster
- Impassable body of water
- Crossable watercourse
- Minor water channel
- Narrow marsh
- Marsh, seasonal, small
- Spring
- Special water feature
- Small hedge
- Distinct vegetation boundary
- Special vegetation feature
- Large rootstock, log cross
- Distinctive tree

- Cultivated land
- Rough open land
- Open land
- Forest: run
- Forest: slow running
- Undergrowth: slow running
- Forest: difficult to run
- Undergrowth: difficult to run
- Vegetation: impassable
- Open land with scattered trees
- Rough open land with scattered trees

- Public road, paved area
- Road
- Vehicle track
- Footpath, small
- Indistinct footpath
- Narrow ride
- Fence, ruined
- High fence
- Power line
- Crossable Wall
- Uncrossable Wall
- Building, small
- House

Special Symbol

- Dangerous cliff
- Dangerous slope
- Out of bounds
- Private gardens
- Dangerous area
- Special man made feature
- SMMF (play equipment)
- Ruin

Black Rock Gorge is a deep and narrow cleft in Old Red Sandstone conglomerate through which the Ait Ghraid (also known as the 'River Glass') flows. The gorge is the subject of local Gaelic myth, in which a local noblewoman, the Lady of Balconie, is lured into its depths by a mysterious man, thought to be the devil. Ever since, it is said, the cries which she utters can be heard from the top.
